It is the student's responsibility to stay current with assignments. Students are to be prepared each day with the necessary materials for class and to complete assignments on time so that they can participate in class activities. Reasons for excused absences that may be accepted are: illness/death in the immediate family, legal court action and some school functions. #### **STUDENT ABSENCES ON RELIGIOUS HOLY DAYS POLICY (ACADEMIC POLICY 3 861001)**

Section 51.911(b) of the Texas Education Code requires that an institution of higher education excuse a student from attending classes or other required activities, including examinations, for the observance of a religious holy day, including travel for that purpose. Section 51.911 (a) (2) defines a religious holy day as: "a holy day observed by a religion whose places of worship are exempt from property taxation under Section 11.20...." A student whose absence is excused under this subsection may not be penalized for that absence and shall be allowed to take an examination or complete an assignment from which the student is excused within a reasonable time after the absence.

University policy 861001 provides the procedures to be followed by the student and instructor. A student desiring to absent himself/herself from a scheduled class in order to observe (a) religious holy day(s) shall present to each instructor involved a written statement concerning the religious holy day(s). The instructor will complete a form notifying the student of a reasonable timeframe in which the missed assignments and/or examinations are to be completed. #### **VISITORS IN THE CLASSROOM**

#### **USE OF PHONE & TEXT MESSAGING IN THE CLASSROOM (ACADEMIC POLICY #100728)**

Students will refrain from behavior in the classroom that intentionally or unintentionally disrupts the learning process and, thus impedes the mission of the university. Please *turn off or mute your cellular phone and/or pager before class begins*. Inappropriate behavior in the classroom shall result, minimally, in a directive to leave class or being reported to the Dean of Students for disciplinary action in accordance with university policy.

#### **DEPARTMENT OF ART BFA REVIEW**

The purpose of the BFA Review is to ensure that students have learned basic principles and techniques needed for advanced art courses.

All Art students must successfully complete all of the Art Foundation courses and the BFA Review before being accepted into a BFA program in Computer Animation, Photography, Studio

Art or Graphic Design. Graphic Design students must also pass a separate Graphic Design Review after the BFA Review.

The Art Foundation Courses are WASH, Drawing, and Foundations in Digital Art. (ARTS 1313, 1314, 1315, 1316, & 2313). Students must pass each course with a grade of C or higher to take the BFA Review and proceed to upper level courses.

The semester after all of the Foundation courses are complete, students must sign up for the BFA Review. Students should see an art advisor every semester to ensure they take the BFA Review on time. It should be taken the semester immediately following the completion of the Foundation Courses.

Students who do not pass the BFA Review may re-take it the following semester. Students who do not pass on the second attempt will not be allowed to continue as BFA majors, but may follow the degree plan for the BA in Art. Non-participation after signing up or being advised to sign up will count as a failure of that semester's review.

Graphic Design students must pass the BFA Review, complete Principles of Graphic Design (ARTS 2323) and participate in a BFA Review at the end of the semester that they are enrolled in Typography (ARTS 3322).

For more information on the BFA review see the Department of art web page: <http://www.shsu.edu/academics/art/review/>

#### **DEFACING UNIVERSITY PROPERTY**

Defacing University property is prohibited by University policy. It is also a criminal offense. Students will be held responsible for the cost of damages to the facilities. Violations will be reported to University Police.

Students should not paint on concrete, asphalt, trees, sides of buildings, interior walls or floors of buildings, locker doors, etc. When using any kind of paint use a drop cloth or tarp to protect the surface from overspray.

#### **DEPARTMENT OF ART LAPTOP REQUIREMENT**

Students in the Department of Art are required to own a laptop as specified by each BFA program. Macintosh laptops are strongly recommended and can be purchased at discounted rates for students. The specifications for each BFA program and links to the Apple Store can be found on the Department of Art website: <http://www.shsu.edu/academics/art/resources/laptop-initiative.html> . Students will be required to have laptops and the Adobe Creative Suite software in art courses that require computers. Laptops must meet or exceed the specifications described and be capable of interfacing with Department printers and other peripheral devices.
