Objective:

The study and performance of a wide variety of repertoire for concert band. The ensemble is a laboratory to apply the musical skills being developed in the applied studio and the academic classes.

Class Meetings:

The scheduled time is MWF noon-1:50 a.m. in Music Building room 201

Enrollment:

The Symphonic Band is a select group of wind and percussion performers seeking the highest artistic standards of performance. Membership in the Symphonic Band is open to all Sam Houston State University students regardless of major, but is selected by audition and with the permission of the conductor. Students who are selected for the Symphonic Band are expected to study their instrument in applied lessons and maintain their academic standing.

Rehearsals:

The scheduled rehearsal times for the SHSU Symphonic Band are MWF Noon to 1:50 pm. (See Rehearsal and Assignment Schedule).

Dress Rehearsals are listed in the performance schedule and are in addition to the regularly scheduled rehearsal. Dress Rehearsals are treated as a performance for grading purposes (see Attendance).

Rehearsals are to be used for the coordination of prepared parts. The members of the ensemble are expected to prepare to the best of their ability and rehearse in an efficient

and professional manner. A professional commitment to these standards, to the ensemble and to its members is essential for successful rehearsals.

A professional rehearsal environment is essential during ensemble class time. In addition to preparing assigned parts outside of class time, members must contribute to a focused, respectful atmosphere during class time. Casual conversation and other forms of communication unrelated to instruction and performance is inappropriate.

Performances:

A major goal of ensemble membership and rehearsal is to have musically successful performances. No ensemble is successful due to the efforts of only one or two of its members. It is the result of the work of all of its members in collaboration.

Performing is a skill that can only be acquired by performing. Performances reflect on the ensemble, the individual members and the University. Please note the attendance policy concerning performances.

Attendance:

The following policy is standard for all major ensembles at Sam Houston State University and was developed by the conductors of those ensembles to insure uniformity and fairness of student policies.

An ensemble is dependent upon the successful participation of all of its members. Consequently, all rehearsals and performances - whether during the regularly scheduled class time or not - are required. Unexcused absences will result in a grade penalty and may affect ensemble membership and financial assistance.

Any member of an ensemble who misses a dress rehearsal or a performance will receive a failing grade and be removed from the ensemble.

Three points will be deducted from the student's numerical grade for each unexcused absence. One point will be deducted from the student's numerical grade for each tardy.

Recognizing that there are legitimate reasons to miss a rehearsal, an absence may be excused for grading purposes by permission of the conductor. All requests for an excused absence will be made in writing at least two (2) weeks prior to the absence. Emergencies will be considered on a case by case basis. No work related absences will be excused.

Since the purpose of rehearsal is to coordinate parts, rehearsal time cannot in reality be made up. However, any rehearsal time that is missed, excused or unexcused, will be made up with the conductor of the group at an arranged time. Two tardies will equal an absence for grading purposes. Failing to notify the conductor about these issues or not following procedure could result in the immediate dismissal from the ensemble. NOTE: Notifying the office or a faculty member of an absence does not constitute an excused absence.

Rehearsal and Assignment Schedule:

The Rehearsal Schedule will be posted on the Symphonic Band Board. Please check the board before every rehearsal, the schedule is not final until the rehearsal begins. Students are responsible to prepare the scheduled works. Other specific assignments will be made in rehearsal.

Students are responsible to prepare the music outside of the scheduled rehearsal times. The applied lessons are specifically not for preparation of ensemble music, except in the case of solo passages. All solo passages should be performed for the applied faculty. Because the ensemble is a laboratory for the applied and academic classes, students are expected to do well in those classes as a component part of ensemble participation.

Materials:

Music will be supplied. Students should contact a graduate assistant or band librarian to resolve problems with parts. Students are expected to bring assigned parts, any necessary equipment - including the appropriate mutes and pencils to rehearsal.

Students are encouraged to make appropriate marks on parts in pencil. Measure numbers are required for efficient rehearsal. Students will be held responsible for the condition or loss of rental parts.

Students will also be responsible for their own concert attire as follows:

Gentlemen:

- black tuxedo (not tails)
- white vest
- white bow tie
- white tux shirt
- black socks
- black dress shoes

Ladies:

black dress floor length dress (formal pants are acceptable for appropriate instruments)
sleeves are optional
black shoes

The following is Sam Houston State University official policy as stated in the student handbook:

Proper Classroom Demeanor/Rules of Conduct:

"Students will refrain from behavior in the classroom that intentionally or unintentionally disrupts the learning process and, thus, impedes the mission of the university. Please turn off or mute your cellular phone and/or pager before class begins. Students are prohibited from eating in class, using tobacco products, making offensive remarks, reading newspapers, sleeping, talking among each other at inappropriate times, wearing inappropriate clothing, or engaging in any other form of distraction. Inappropriate behavior in the classroom shall result in a, minimally, a directive to leave class or being reported to the Dean of Students for disciplinary action in accordance with university policy."

University Academic Honesty Policy

You will be held accountable for honest behavior in this class. Likewise, honest test-taking and homework procedures will be enforced. Refer to the SHSU student guidelines handbook for what constitutes "cheating." Students With Disabilities Policy

It is the policy of Sam Houston State University that individuals otherwise qualified shall not be excluded, solely by reason of their disability, from participation in any academic program of the university.
