Course Outline

Assignments

Test 1 – 100 points

This test will cover the major components contained within chapters 1 through 6 in the Brown & Knowles book titled *What Every Middle School Teacher Should Know*. The test will be given online, in Blackboard.

Personal Experience paper & Interview with a Middle School child paper – 100 points

The purpose of this written paper is to reflect on your experiences during your middle grade years and apply them to developmental stages discussed in class and book. Then you will interview a middle grade student in regards to the developmental stages discussed in class and apply the stages to the child's experiences. Questions and requirements for this paper are posted in Blackboard. This paper will include the interview AND a narrative comparing your experiences with the child you interviewed. Follow the guidelines and rubric posted in Blackboard.

Test 2 – 100 points

This test will cover the major components contained within chapters 7 through 12 in the Brown & Knowles book titled *What Every Middle School Teacher Should Know*. The test will be given online, in Blackboard.

Test 3 – 100 points

This test will cover the major components contained within the book, *This We Believe*. The test will be given online, in Blackboard.

Professionalism – 100 points

Your professionalism grade will be based on several factors including attendance (tardies/absences), following procedures (both in class and in the field), field experience feedback, and participation in class and online.

Attendance

Attendance in this class is mandatory and will be recorded each class session. Excessive absences and/or tardies in class or during field experience, regardless of excuse, will result in an overall reduction in the course professionalism grade.

Course Expectations

All out of class work is graded on content, grammar, punctuation, spelling, etc. Late assignments will be penalized twenty points per day that they are late. All out of class assignments should be typed (Times New Roman, 12 point font). All due dates will be given the first week of class. **No extra credit will be given.**

For each hour in class you will be expected to commit at least three hours outside of class. It is expected that if you enroll in this course, you can meet the time requirements.

Professionalism is expected in effort and attitude. This includes communication through technology during class time. It is expected that no contact with the “outside world” will be attempted or received during class. If unauthorized cell phone use occurs, your grade may be lowered one letter grade for each occurrence.

If individual assignments possess a striking similarity to another student’s work, a grade of F will be given for the course and a referral made to appropriate authorities.

College of Education Information

Accreditation

The programs within the SHSU College of Education have the distinction of receiving accreditation and national recognition from multiple accrediting bodies. All educator certification programs, including teaching and professional certifications, have received ongoing accreditation from the Texas Education Agency ([TEA](#)). Additionally, the educator preparation program has been accredited by the Council for the Accreditation of Educator Preparation ([CAEP](#)-formerly NCATE) since 1954. Many of the educator preparation concentration areas have also chosen to pursue national recognition from their respective Specialized Professional Associations ([SPA](#)), signifying the program is among the best in the nation. The programs within the Department of Counselor Education have also received accreditation from the Council for Accreditation of Counseling and Related Educational Programs ([CACREP](#)).

Course and Program Evaluation

Near the end of the semester, students are asked to take part in the University's adopted course evaluation system, IDEA. The assessments are completed online and instructions are emailed to each student. Students' assessments of courses are taken and are systematically reviewed by the Dean, Associate Deans, Department Chairs, and individual faculty members. Only after the semester has completed are faculty members allowed to view aggregated results of non-personally-identifiable student responses.

The College of Education conducts ongoing research regarding the effectiveness of the programs. Students receive one survey in the final semester prior to graduation regarding the operations of the unit during their time here. A second survey occurs within one year following completion of a program, and is sent to students and their employers. This survey requests information related to students' quality of preparation while at SHSU. Students' responses to these surveys are critical to maintaining SHSU's programs' excellence.
