

Course Syllabus
MTH 1332.21
College Mathematics
3 Credit Hours
Fall, 2017

1. Class meeting information: Class meets in LDB 212

Monday and Wednesday 6:00 - 7:20 p.m.

2. Professor: Dr. Vinh Dang

Office: Farrington-315

Email: vxd017@shsu.edu

Email is the best way to contact me for questions about the course.

3. Course Description: Topics may include sets, counting principles, probability, number systems, geometry, and number theory and graph theory.

Prerequisites: Two years of high school algebra and high school geometry.

The class will be lecture-oriented.

4. Course Objectives: You will learn to analyze, logically address, and solve problems.

5. Required Textbook: *Mathematics-A Practical Odyssey* by Johson and Mowry, Eighth Edition.

6. Required Supplies: A scientific calculator that includes the trigonometric functions as well as permutation and combination keys is required. I recommend either TI-83 or TI-84. Calculators are allowed on exams and you will be at a disadvantage in exams without a calculator.

7. Attendance Policy: You are expected to attend every class and to arrive on time. If class must be missed, you are expected to get the notes and homework assignment from a classmate.

8. Homework Assignments:

Homework will be assigned every class period. Please solve homework problems, show all work and write your solutions neatly in a College-ruled spiral notebook. Clearly write your name and student ID on the cover or the first page of the notebook. These notebooks will be collected during each of the four exam dates. The notebooks will be looked at for completion and serious efforts to solve the homework problems. Each satisfactory notebook will earn you 2.5% for a total of 10% for the homework portion of the class.

9. Exams: There will be three exams during the semester and then a final exam. The exams are scheduled to occur on:

Exam 1: Monday, September 25th Covers Chapter 2 and Sections 3.2 through 3.4

Exam 2: Monday, October 23rd Covers Sections 3.5 through 3.7 and Chapter 7

Exam 3: Monday, November 20th Covers Chapter 8

Any changes to this schedule will be announced in class.

There are no make-up exams. If you miss an exam because of an emergency, then contact me immediately. With my approval, the percentage on the final exam can replace the missed exam.

The final exam will be held on **Monday, December 4, 2017 from 8:30pm to 10:30pm**. It will be comprehensive, unless otherwise noticed.

11. Grading Plan: The course grade is based on:

HW	10%
Exam 1	20%
Exam 2	20%
Exam 3	20%
Final Exam	30%

The course grade will be assigned using:

90 – 100: A; 80 – 89: B; 70 – 79: C, 60 – 69: D, Below 60: F.

I reserve the right to lower the grading scale if necessary.

12. Academic Dishonesty: You are expected to engage in all academic pursuits in a manner that is above reproach. You are expected to maintain complete honesty and integrity in the academic experiences both in and out of the classroom. Any student found guilty of dishonesty in any phase of academic work will be subject to disciplinary action. The University and its official representatives may initiate disciplinary proceedings against a student accused of any form of academic dishonesty including, but not limited to, cheating on and examination or other academic work which is to be submitted, plagiarism, collusion and the abuse of resource materials.

13. Classroom Rules of Conduct: You will refrain from behavior in the classroom that intentionally or unintentionally disrupts the learning process and, thus, impedes the mission of the university. **Cellular telephones and pagers must be turned off before class begins.** You are prohibited from using tobacco products in class, making offensive remarks, reading newspapers, sleeping, talking at inappropriate times, wearing inappropriate clothing or engaging in any other form of distraction. Inappropriate behavior in the classroom shall result in a directive to leave class. You who are especially disruptive also may be reported to the Dean of Students for disciplinary action in accordance with university policy.

14. Visitors in the Classroom: Unannounced visitors to class must present a current, official SHSU identification card to be permitted in the classroom. They must not present a disruption to the class by their attendance. If the visitor is not a registered student, it is at the instructor's discretion whether or not the visitor will be allowed to remain in the classroom.

15. Religious Holidays: Section 51.911(b) of the Texas Education Code requires that an institution of higher education excuse a student from attending classes or other required activities, including examinations, for the observance of a religious holy day, including travel for that purpose. A student whose absence is excused under this subsection may not be penalized for that absence and shall be allowed to take an examination or complete an assignment from which the student is excused within a reasonable time after the absence.

University policy 861001 provides the procedures to be followed by the student and instructor. A student desiring to absent himself/herself from a scheduled class in order to observe (a) religious holy day(s) shall present to each instructor involved a written statement concerning the religious holy day(s). This request must be made in the first fifteen days of the semester or the first seven days of a summer session in which the absence(s) will occur. The instructor will complete a form notifying the student of a reasonable time frame in which the missed assignments and/or examinations are to be completed.

16. Disabled Student Policy: SHSU adheres to all applicable federal, state, and local laws, regulations, and guidelines with respect to providing reasonable accommodations for students with disabilities. If you have a disability that may affect adversely your work in this class, then I encourage you to register with the SHSU Counseling Center and to talk with me about how I can best help you. All disclosures of disabilities will be kept strictly confidential. NOTE: no accommodation can be made until you register with the Counseling Center.

17. Miscellaneous: At times the course structure may need to be adjusted to provide for a better learning environment. Thus I reserve the right to make changes to the syllabus. All changes will be announced in class.
