Course Text: Trigonometry, 8th Edition
by McKeague/Turner, Cengage

Course Calculator: TI-83 (or equivalent)

Course Syllabus: Chapters 1, 2, 3, 4, 5, 6, & 7

Class Attendance: Attendance is encouraged, expected, and required. A seating chart will be used to help observe attendance patterns.

Course Grades: Grades will be determined by a pattern of performance on in-class exams. (Typically 4-5 exams plus a comprehensive final exam which will count as 2 exam grades.) Exams will be announced with a minimum of one weeks notice.

Office Hours:

MWF 9⁺ - 12⁻ MWF

Other Times by Appointment
