Policies for Students: <http://www.shsu.edu/syllabus/>

RULES FOR CLASS CONDUCT (INCLUDING CELL PHONES AND ELECTRONIC DEVICES)

The use by students of electronic devices that perform the function of a telephone or text messenger during class-time may be prohibited if deemed disruptive by the instructor to the conduct of the class. Arrangements for handling potential emergency situations may be granted at the discretion of the instructor. Failure to comply with the instructor's policy could result in expulsion from the classroom or with multiple offenses, failure of the course.

Any use of a telephone or text messenger or any device that performs these functions during a test period is prohibited. These devices should not be present during a test or should be stored securely in such a way that they cannot be seen or used by the student. Even the visible presence of such a device during the test period will result in a zero for that test. Use of these devices during a test is considered de facto evidence of cheating and could result in a charge of academic dishonesty.

Students are not allowed to use cell phones in class. Please turn them off as you enter the classroom and keep them stored out of sight. To maintain a proper academic learning environment in the classroom, here are some rules:

- **ALL cell phones and electronic devices are to be turned OFF and put away** so there will be no phones going off or be seen out, as well as no web surfing, instant messaging or texting during the class period.
- Do not read newspapers or other materials during class.
- Do not work on any other class assignments during the class.
- Don't make conversation with your neighbors during class. This bothers everybody else. Save the chatter for after class. If you have something to contribute to lecture, please raise your hand until you are acknowledged.
- Students who sleep in a class or read non-class materials in class disrupt the course. There is a great difference between "active listening" and ignoring the activities of a class session.

Violations of any of the above will result in points being deducted (2.5 points deducted for each violation) from your class point total at the discretion of Professor Bumpass.
