2. Skills Test 20%
3. Softball Exam 30%
4. Volleyball Exam 30%

100%

Unexcused absences on test days will result in a 0 without proper documentation

Participation/Dress – On Court/Field

You must always dress out each day in proper athletic attire. You will be required to follow the same dress code rules mandated by the Recreational Sports Department. This is an activity based course with a large emphasis on participation. Your motivation and seriousness will decide what your participation grade will be. Unprofessional and unserious behavior such as not having your athletic apparel, not participating in group activities, not being on-time for the lecture, and similar behavior will all affect your grade negatively.

EXPECTATIONS:

Attendance is mandatory for all listed class sessions. Students are responsible for any material or work prior to the next class period from another student in the class. Any student who misses class because of a university activity, religious holiday, family emergency, military obligation or court imposed legal obligation should provide the instructor with proper documentation prior to (if possible) the projected missed date. In the case of a last second emergency an email should be sent to kdd022@shsu.edu prior to the start of class that date explaining the emergency. It is your responsibility to keep track of your number of absences.

More than 7 absences throughout the semester will result in automatic failure of the class. In the event a student has perfect attendance during the semester, they will receive an extra 20 points to go towards their final grade.

Students with Disabilities Policy:

It is the policy of Sam Houston State University that individuals otherwise qualified shall not be excluded, solely by reason of their disability, from participation in any academic program of the University. Further, they shall not be denied the benefits of these programs nor shall they be subjected to discrimination. Students with disabilities that might affect their academic performance should visit with the Office of Services for Students with Disabilities located in the Counseling Center.

Visitors in the Classroom:

Only registered students may attend class unless receive approval from instructor prior to class.

ACADEMIC DISHONESTY:

All students are expected to engage in all academic pursuits in a manner that is above reproach. Students are expected to maintain honesty and integrity in the academic experiences both in and out of the classroom. Any student found guilty of dishonesty in any phase of academic work will be subject to disciplinary action. The University and its official representatives may initiate disciplinary proceedings against a student accused of any form of academic dishonesty including but not limited to, cheating on an examination or other academic work which is to be submitted, plagiarism, collusion and the abuse of resource materials. For a complete listing of the university policy, see:
