Teaching Certifications

Online Teaching Certification, Lone Star College, September 2017

The Online Teaching Certification is an initiative of Lone Star College to introduce faculty to available resources, common strategies and techniques to promote online course engagement along with basic technical instruction on supported instructional technologies.

Safe Zone, Purdue University, July 2015

Safe Zone training highlights the unique needs and concerns LGBTQ people face in higher education and builds knowledge and skills for creating a more inclusive and affirming campus for all students. This training enables students, faculty, and staff the ability to provide safe spaces on campus for LGBTQ people in the classroom.

Graduate Teaching Certificate, Purdue University, June 2015

The Graduate Teacher Certificate Program is a component of a university-wide initiative to help prepare graduate students to teach at Purdue and beyond. The criteria include the following in addition to the Graduate Instructional Development Certificate: teaching a minimum of two semester-long Purdue courses, completing an additional three hours of instructional development sessions, utilizing early feedback and end-of-semester student evaluations for courses taught, and completing written self-analyses of these activities.

Graduate Instructional Development Certificate, Purdue University, April 2015

The Graduate Teacher Certificate Program is a component of a university-wide initiative to help prepare graduate students to teach at Purdue and beyond. The criteria include the following: completing a minimum of two individual teaching experiences at Purdue, participating in campus teaching orientation and a micro-teaching session, completing an additional six hours of instructional development sessions, conducting two teaching observations and being observed while teaching, and completing written self-analyses of these activities.
