Analysis of Experience

Teaching

As program coordinator for the Center for Law, Engagement, And Politics (LEAP), develop curricula for substantive law topics, legal writing skills, and oral argumentation skills for Sam Houston State University's Moot Court Team and coach the team for statewide competitions. One team from the 2015 inaugural SHSU Moot Court Team placed in the Sweet Sixteen rounds at the regional competition and one member received a top twelve oratory award at the regional competition.

Teach First Year Learning Experience pre-law cohort course for Sam Houston State University (SHSU) freshmen interested in attending law school. Developed curriculum around the core skills, values, knowledge, and experience that the American Bar Association identifies as crucial for students to acquire before law school. Received evaluations of 5.0 out of 5.0 for both quality of teaching and for quality of curriculum and course content.

At Sam Houston State University, advise political science majors, legal studies minors, and pre-law students. Provide extensive counseling to pre-law students regarding law school admissions criteria. Provide individual academic counseling and academic support services to students. Also, help plan and coordinate civic engagement events for LEAP and monitor LEAP's budget.

As Adjunct Faculty and Full Time Faculty in the Department of Government, Economics, and Criminal Justice for the Houston Community College District (HCC) and as adjunct faculty in the Department of Political Science for Lone Star College (LSC), designed curriculum, taught, and evaluated a two semester long course in American and Texas government for HCC's Katy, Spring Branch, and Central Houston campuses and for LSC's Conroe and Montgomery campuses. At HCC, taught up to seven classes a semester (total of approximately 215 students). Always received top instructor evaluations.

As member of the Montgomery County Bar Association, served as member of Scholarship Committee to review applications from high school seniors for a scholarship and interviewed top 17 applicants.

Legal

As a solo practitioner, perform legal work in areas of estate planning, including wills, trusts, and pet trusts; business law; elder law; Veterans' benefits; Social Security disability law; probate; and employee benefits law.

As an attorney at Coats and Todd, PC, wrote Appeals Council briefs in Social Security disability cases, reviewed medical files, drafted hearing memos, represented Social Security disability claimants at administrative hearings across the state of Texas, and conducted at least 20 hearings per month.

As a trial attorney at Mullin, Hoard and Brown, LLP, litigated cases in areas of business law, banking law, contract law, employee benefits law, and insurance law. Also, performed legal work in areas of health care law, contract law, corporate and partnership law, estate planning, probate law, and elder law.

Organization, Administration, and Public Speaking

As Manager of Community Health Services, coordinated programs and supervised staff of 66 which included services such as Health Education and Nutrition, Geriatric Nursing, Adult Nursing, Homeless Health Care, AIDS Prevention, Physical Therapy, Adolescent Pregnancy Prevention, and Adolescent Drug Abuse Program. Responsibilities included budget preparation and monitoring (budget \$5.2million); negotiation, preparation, monitoring, and administration of contracts; development of briefing information for City Council, department heads, and City Manager; program planning; management analysis; grant writing, program evaluation and quality assurance; and staffing of City Commissions or Committees.

Achievements included the following: writing of a grant for federal funds which resulted in receiving an award of \$877,000 over a two year period to expand the Homeless Health Care Program; receipt of a National Certificate of Merit from the U.S. Department of Housing and Urban Development for the "strong leadership, vision, and public-private partnership" and innovative and exemplary use of funding for the Homeless Health Care program; receipt of 1988 "Innovativeness in Programming" award from The National League of Cities for the comprehensive Adolescent Drug Abuse Program; and receipt of grant for \$750,000 for the treatment component of the Adolescent Drug Abuse Program.

As Manager of Health Education and Nutrition Services, supervised staff of 11. Supervision included providing technical assistance and consultation to education staff as well as direct supervision and evaluation of personnel. Wrote curriculum and taught classes in stress management, childbirth, diabetes, educational techniques, group dynamics skills, and communication skills.
