

GABRIEL CARRILLO

OBJECTIVE To provide meaningful and engaging instruction to all students in a non-threatening environment that includes real world applications.

SKILLS & ABILITIES I am fluent in both Spanish and English in reading, writing, and speaking. Academically, my strongest skills lie in literacy. I joined Sam Houston State University's Study Abroad Summer 2013, 2014, and 2015 in Costa Rica and Italy for personal and professional development as a student and teacher. During this time, I also mentored pre-service teachers.

COMMUNICATION While working in the school district and at the university level, I have successfully collaborated with students, parents, staff/faculty, and community members. My communication skills are clear and effective; I truly enjoy working with and helping others.
