---

Dedicated professional who is currently employed as a part-time English tutor for Lone Star Community College and adjunct professor for Sam Houston State University. I have a proven track record of commended teaching and subbing at both grade school levels, in addition to receiving training and working with children with special needs. I have extended these abilities to the college students that I currently work with. I am very passionate about education. I have this unwavering commitment to help students to be successful in their academic endeavors.
