SUMMARY OF QUALIFICATIONS:

I started in health care as an Army Medic, and Emergency Medical Technician. Following nursing school, I was commissioned into the US Army and continued my experience in Emergency Nursing, Critical Care Nursing, Nursing Anesthesia, Education, Research, and Management. As a military officer, I have experience in Command, Executive Leadership, Logistics, Strategic Planning, and Contracting. During my last military deployment to Afghanistan in 2010, we built a Combat Support Hospital in the Helmond Province. We deployed three Forward Surgical Teams, and supported multiple military civil affairs missions. During our first 6 months, we treated over a thousand military and civilian casualties. As a retired military officer with 27 years of service, I am comfortable, and/or adaptable to most any challenge.
