

Kalley Fikes

Lecturer

Department of Agricultural Sciences

College of Science and Engineering Technology

Degrees Earned:

Bachelor of Science in Animal Science (2014)

Texas A&M University

Master of Science in Animal Science (2017)

Texas A&M University

Master's Thesis:

Effect of bioactive protein supplementation on gait kinematics and systemic inflammatory markers in mature horses

K Fikes, JA Coverdale, JM Campbell, JL Leatherwood, TH Welsh, AN Bradbery, CJ Hartz, MS Goehring, AA Millican, TA Wickersham. Effect of bioactive protein supplementation on equine gait kinematics. (Oral Presentation; Minneapolis, MN)
