Work or Professional Experiences

I have 28 years of experience with the Texas Department of Criminal Justice, working in multiple capacities over the years. I began my career as clerical support, moved on to work as a corrections officer and offender classification and I am currently the Deputy Director for the Rehabilitation Programs Division. In this position I provide oversight to the programming for offenders including substance abuse, sex offenders, youthful offenders, serious and violent

offenders, administrative segregation, and college programs. In addition I am responsible for the chaplaincy and volunteer programs as well as the DNA collection and monitoring for the agency.
