

Curriculum Vitae

I. GENERAL BIOGRAPHICAL INFORMATION

A. Personal

1. Robert Ellis Roush, Jr.
2. U.S. Citizen, born July 15, 1942, Baytown, Texas, USA

B. Education

1. Undergraduate Education

Lee College, Baytown, Texas
Associate in Arts (1960–62)

Sam Houston State University, Huntsville, Texas
Bachelor of Science (1962–64)

2. Medical Education or Graduate Education

Sam Houston State University, Huntsville, Texas
Master of Education (1964–66)

University of Houston, Houston, TX
Doctor of Education (1966–69)

"A Study of Change in Selected Teacher Education Interns' Behavior
Using Videotape Recordings"
V. J. Kennedy, PhD, Advisor

The University of Texas School of Public Health, Houston, TX
Master of Public Health (1972–79)

"A Comparison of Instructional Methods and Parental Involvement on
High School Students' Dietary Behavior and Knowledge of Nutrition
Information Related to Heart Disease"
Blair Justice, PhD, Advisor

3. Postgraduate Training

Office of Education Fellow (1969–70)
US Office of Education, Washington, DC

Fellow, Research in Medical Education (1970–1971)
University of Southern California School of Medicine
Los Angeles, California

C. Academic Appointments

1. Faculty positions at BCM

Associate Professor (1989–Present)
Section of Geriatrics, Department of Medicine

Faculty Associate (1989–Present)
Huffington Center on Aging

Director (1985–Present)
Texas Consortium of Geriatric Education Centers

Assistant-Associate Professor and Director (1971–89)
Center for Allied Health Professions

2. Previous faculty positions at other institutions

Instructor, College of Education (1969–70)
University of Houston, Houston, TX

Director, Teacher Corps (1968–69)
Assistant Director, Bureau of Education Research and Service (1968–69)
University of Houston, Houston, TX

Assistant Director, Teacher Corps (1966–68)
Fellow (1966–68)
University of Houston, Houston, TX

Teacher (1964–66)
Clear Creek Independent School District, League City, Texas

3. Faculty appointments at other institutions while at BCM

Adjunct Instructor (2016–) Sam Houston State University
Adjunct Lecturer (2007–09)
University of Houston–Downtown

Staff Associate for Geriatrics Education (1989–2006)
Michael E. DeBakey Veterans Affairs Medical Center, Houston, TX

Adjunct Professor (1994–2003)
Institute for Gerontological Studies, Baylor University, Waco, Texas

Adjunct Graduate Faculty Member (1972–2000)
University of Houston, Houston, TX

Visiting Graduate Faculty (1973–89)
Texas A&M University, College Station, TX

D. Other advanced training/experience

Health Sciences Management Seminar II (1973)
College of Business Administration
University of Houston, Houston, TX

Allied Health Deans' Leadership Training Institute (1972)
University of Oklahoma Health Science Center, Oklahoma City,
Oklahoma

E. Other information

1. Honors or Awards

Morrison L, Roush R. Refining the Microteaching Experience for Geriatrics Fellows (poster). First-in-class award from the Academy of Distinguished Educators, Baylor College of Medicine (2006).

Member (2005)
International Cross-Discipline Committee on Emergency Preparedness
Planning for Seniors
Division of Aging and Seniors
Public Health Agency of Canada
White House Conference on Aging
Washington, DC

Outstanding Contributor to Geriatric Education (2001)
U.S. Public Health Service

Washington, DC

Appointee, Author of "Aging" Entry for *Encarta Encyclopedia* (1999)

National Institute on Aging

Washington, DC

Outstanding Service Award (1996)

Baylor College of Medicine Physician Assistant Program

Certificate of Appreciation in Recognition of Outstanding Contributions to the Texas-based Task Force on Older Drivers (1992)

Texas Department of Health

Distinguished Author Award Nominee (1982)

Journal of Allied Health

Member (1968)

Phi Kappa Phi National Honor Society

University of Houston Chapter, Houston, TX

2. Other non-academic positions

N/A

II. RESEARCH INFORMATION

A. Research Support

1. **Title:** Training Interprofessional Primary Care Providers to Make Early and Accurate Diagnosis of Alzheimer's Disease and Related Dementias
Funding Agency: U.S. Department of Health and Human Services
Role: PI
Dates: July 2012–June 2014
Cost: \$134,906
Grant/Contract:
2. **Title:** Preventing Elder Investment Fraud
Funding Agency: Investor Protection Institute
Role: PI
Dates: December 2010–November 2012
Cost: \$353,527
Grant/Contract: Grant
3. **Title:** The Texas Consortium Geriatrics Education

- Funding Agency:** Center
Role: US Department of Health and Human Services
Dates: PI
Cost: July 1, 2010–June 30, 2015
Grant/Contract: \$2,072,222 total; \$414,445 per year
Grant
4. **Title:** Training Health Professionals in Geriatric
Emergency Preparedness and Response Issues
(UT School of Public Health Center for
Biosecurity and Public Health Preparedness)
5. **Funding Agency:** Centers for Disease Control and Prevention
Role: Subcontractor
Dates: April–August 2009
Cost: \$54,972
Grant/Contract: Contract
6. **Title:** Preventing Elder Investment Fraud
Funding Agency: Investor Protection Trust
Role: PI
Dates: April 2008 – March 2009
Cost: \$199,887
Grant/Contract: Grant
7. **Title:** The Texas Consortium Geriatrics Education
Center
Funding Agency: US Department of Health and Human Services
Role: PI
Dates: September 1, 2007–August 31, 2010
Cost: \$1,296,000 total; \$432,00 per year
Grant/Contract: Grant
8. **Title:** The Texas Consortium Geriatrics Education
Center
Funding Agency: US Department of Health and Human Services
Role: PI
Dates: July 1, 2005–June 30, 2010
Cost: \$2,160,000 total; \$432,000 per year
Grant/Contract: Grant
9. **Title:** Creativity Across the Lifespan: A Decade of
Calendar Art from the Huffington Center on
Aging
Funding Agency: Belmont Village Assisted Living Communities
Role: PI
Dates: April 5, 2005
Cost: \$3000
Grant/Contract: Grant
10. **Title:** Bioterrorism and Emergency Preparedness in
Aging
Funding Agency: US Department of Health and Human Services,
Health Resources and Services Administration
Role: PI
Dates: July 1, 2004–June 30, 2005
Cost: \$426,051

- Cost:** \$33,000 total; \$2000 per year
Grant/Contract: Industry grant
18. **Title:** Cyberlearning Modules in Geriatrics
Funding Agency: Merck
Role: Co-PI
Dates: September 1997
Cost: \$10,000
Grant/Contract: Industry grant
19. **Title:** Randomized Controlled Trial of the Clinical Efficacy and Cost Effectiveness of Personal Response Systems Among Community-Residing Elders
Funding Agency: Lifeline Systems
Role: Co-PI
Dates: January 1997–January 2000
Cost: \$315,000 total; \$105,000 per year
Grant/Contract: Industry grant
20. **Title:** Arts in Aging Program
Funding Agency: Lifeline Systems
Role: PI
Dates: February 1997
Cost: \$6,000
Grant/Contract: Industry grant
21. **Title:** Cyberlearning Modules in Geriatrics
Funding Agency: Merck
Role: Co-PI
Dates: December 1996
Cost: \$10,000
Grant/Contract: Industry grant
22. **Title:** CME Program for Service Providers to the Elderly
Funding Agency: Area Agency on Aging, City of Houston Health Department
Role: PI
Dates: September 1996
Cost: \$4971
Grant/Contract: Contract
23. **Title:** The Tenth Workshop for Key Staff of the Nation's Geriatric Education Centers
Funding Agency: US Department of Health and Human Services
Role: PI
Dates: August 1996–July 1997
Cost: \$150,000
Grant/Contract: Contract
24. **Title:** Competency-Based Curriculum in Geriatrics for Residency Training in Internal Medicine and Family Medicine
Funding Agency: John A. Hartford Foundation
Role: Co-director, Faculty Development

- Dates:** January 1995–December 1997
Cost: \$500,000 total; \$166,666 per year
Grant/Contract: Grant
25. **Title:** Update in Aging CME Programs for Internal and Family Medicine Practitioners
Funding Agency: Merck
Role: PI
Dates: January–September 1995
Cost: \$4000
Grant/Contract: Industry grant
26. **Title:** National Forum Study Group
Funding Agency: US Department of Health and Human Services
Role: PI
Dates: August 25–28, 1994
Cost: \$25,000
Grant/Contract: Contract
27. **Title:** The Ninth Workshop for Key Staff of the Nation's Geriatric Education Centers
Funding Agency: US Department of Health and Human Services
Role: PI
Dates: March 9, 1994–March 8, 1995
Cost: \$137,693
Grant/Contract: Contract
28. **Title:** The Texas Consortium of Geriatric Education Centers
Funding Agency: US Department of Health and Human Services
Role: PI
Dates: September 30, 1993–September 29, 1996
Cost: \$854,307 total; \$284,769 per year
Grant/Contract: Grant
29. **Title:** Grant Support for TCGEC Special Programs
Funding Agency: Lifeline Systems
Role: PI
Dates: 1993–94
Cost: \$4000
Grant/Contract: Grant
30. **Title:** Houston Alliance for Long-term Care for At-Risk Elderly
Funding Agency: US Department of Health and Human Services, Administration on Aging
Role: PI
Dates: September 30, 1993–September 29, 1996
Cost: \$199,800 total; \$99,900 per year
Grant/Contract: Grant
31. **Title:** A Statewide Faculty Development Program for Social Work Educators in Eldercare
Funding Agency: US Department of Health and Human Services, Administration on Aging
Role: PI

- Dates:** 1992–93
Cost: \$74,871
Grant/Contract: Grant
32. **Title:** Statewide Faculty Development Program for Community College Associate Degree and Other Nursing Educators
Funding Agency: US Department of Health and Human Services, Administration on Aging
Role: PI
Dates: 1991–92
Cost: \$74,520
Grant/Contract: Grant
33. **Title:** The Texas Consortium of Geriatric Education Centers
Funding Agency: US Department of Health and Human Services
Role: PI
Dates: October 1, 1990–September 30, 1993
Cost: \$894,288 total; \$298,096 per year
Grant/Contract: Grant
34. **Title:** Invitational Conference on Geroethics Issues
Funding Agency: The Upjohn Company
Role: Co-PI
Dates: 1990
Cost: \$50,000
Grant/Contract: Grant
35. **Title:** A Geriatric Faculty Development Program for Texas Southern University Educators
Funding Agency: US Department of Health and Human Services, Administration on Aging
Role: Co-PI
Dates: 1989–91
Cost: \$15,000 total; \$7500 per year
Grant/Contract: Grant
36. **Title:** The Texas Consortium of Geriatric Education Centers
Funding Agency: US Department of Health and Human Services
Role: PI
Dates: October 1, 1988–September 30, 1990
Cost: \$550,307 total; \$275,154 per year
Grant/Contract: Grant
37. **Title:** A Statewide Project to Include Aging Content in Schools of Pharmacy
Funding Agency: US Department of Health and Human Services, Administration on Aging
Role: PI
Dates: 1988–89
Cost: \$149,999
Grant/Contract: Grant
38. **Title:** Continuing Education in Geriatrics for Clinic

- | | | |
|--|------------------------|---|
| | Funding Agency: | Staff of Region VI Community Health Centers
US Department of Health and Human Services,
Administration on Aging |
| | Role: | PI |
| | Dates: | 1988 |
| | Cost: | \$4000 |
| | Grant/Contract: | Contract |
39. **Title:** Support for Geriatric Education
Funding Agency: Marion Laboratories
Role: PI
Dates: 1988
Cost: \$1500
Grant/Contract: Grant
40. **Title:** Fourth Workshop for Key Staff of Geriatric Education Centers
Funding Agency: US Department of Health and Human Services, Bureau of Health Professions
Role: PI
Dates: 1987-88
Cost: \$97,605
Grant/Contract: Contract
41. **Title:** Allied Health Faculty Development Project (University of Alabama at Birmingham)
Funding Agency: University of Alabama at Birmingham with master contract made by the US Treasury Department's Joint Commission with the Kingdom of Saudi Arabia's Ministry of Finance/King Abdulaziz University
Role: Subcontractor
Dates: 1987-88
Cost: \$161,544 total; \$80,772 per year
Grant/Contract: Contract
42. **Title:** Baylor/STISD Summer Minority Project
Funding Agency: The William Randolph Hearst Foundation
Role: PI
Dates: Summer 1987
Cost: \$20,000
Grant/Contract: Grant
43. **Title:** Improving Science and Math Education in Elementary Schools
Funding Agency: Amoco Foundation
Role: PI
Dates: 1987-89
Cost: \$50,000 total; \$25,000 per year
Grant/Contract: Grant
44. **Title:** Fondren Mathematics and Science Learning Link
Funding Agency: US Department of Education, Magnet Schools Assistance Program
Role: Co-PI
Dates: October 1987-September 1989

- Cost:** \$125,280 total; \$62,640 per year
Grant/Contract: Grant
45. **Title:** Baylor/STISD Summer Minority Project
Funding Agency: The William Randolph Hearst Foundation
Role: PI
Dates: Summer 1986
Cost: \$20,000
Grant/Contract: Grant
46. **Title:** Minority Research Apprentice Program
Funding Agency: The Rockefeller Foundation
Role: Co-PI
Dates: June 1, 1986–ay 31, 1987
Cost: \$350,000
Grant/Contract: Grant
47. **Title:** Grants for Programs for Physician Assistants
Funding Agency: US Department of Health and Human Services, Health Resources and Services Administration, Bureau of Health Professions
Role: Co-PI
Dates: July 1, 1986–May 31, 1987
Cost: \$350,000
Grant/Contract: Grant
48. **Title:** The Texas Consortium of Geriatric Education Centers
Funding Agency: US Department of Health and Human Services
Role: PI
Dates: October 1, 1985–September 30, 1988
Cost: \$1,507,815 total; \$502,605 per year
Grant/Contract: Grant
49. **Title:** Honors Workshops for Precollege Teachers of Science and Mathematics
Funding Agency: National Science Foundation
Role: PI
Dates: January 1, 1985–December 31, 1987
Cost: \$753,948 total; \$251,316 per year
Grant/Contract: Grant
50. **Title:** Invitational Conference on Science and Mathematics Education
Funding Agency: Josian Macy, Jr., Foundation
Role: Co-PI
Dates: January 1, 1985–December 31, 1987
Cost: \$48,350
Grant/Contract: Grant
51. **Title:** Shock
Funding Agency: Medical Training Systems
Role: PI
Dates: August 1984–June 1985
Cost: \$3200
Grant/Contract: Contract

52. **Title:** Summer Enrichment Program for South Texas Regional Health Professions High School Students
Funding Agency: The Hearst Foundation
Role: PI
Dates: January 1985–December 1987
Cost: \$60,000 total; \$20,000 per year
Grant/Contract: Grant
53. **Title:** Evaluation of Secondary School Science Curriculum
Funding Agency: Conroe Independent School District
Role: PI
Dates: January–August 1984
Cost: \$4600
Grant/Contract: Contract
54. **Title:** Development of a Nurse Midwifery Curriculum
Funding Agency: The Robert Wood Johnson Foundation
Role: PI
Dates: August 1, 1983–July 31, 1986
Cost: \$196,200 total; \$65,400 per year
Grant/Contract: Grant
55. **Title:** Development of a Nurse Midwifery Curriculum
Funding Agency: The March of Dimes Birth Defects Foundation
Role: Co-PI
Dates: December 1983–December 1984
Cost: \$25,000
Grant/Contract: Grant
56. **Title:** Post-Graduate Life Science Institutes for Secondary School Teachers
Funding Agency: Department of Education Fund for the Improvement of Post-Secondary Education
Role: PI
Dates: July 1, 1983–August 31, 1986
Cost: \$312,288 total; \$104,096 per year
Grant/Contract: Grant
57. **Title:** Minority Research Apprenticeships in the Life Sciences
Funding Agency: The Rockefeller Foundation
Role: PI
Dates: July 1, 1983–May 30, 1986
Cost: \$180,000 total; \$60,000 per year
Grant total; Contract: Grant
58. **Title:** Education Program for Physician Assistants
Funding Agency: US Department of Health and Human Services, Bureau of Health Profession, Health Resources and Services Administration
Role: Co-PI
Dates: July 1, 1983–June 30, 1986

- Cost:** \$240,000 total;\$80,000 per year
Grant/Contract: Grant
59. **Title:** Research Apprenticeships for Minority High School Students
Funding Agency: National Science Foundation
Role: Co-PI
Dates: July 1, 1982–June 30, 1983
Cost: \$48,000
Grant/Contract: Contract
60. **Title:** Training School Nurses to Enhance the Delivery of Health Care Services to Migrant Students
Funding Agency: Texas Education Agency
Role: Co-PI
Dates: 1981
Cost: \$35,000
Grant/Contract: Contract
61. **Title:** Animal Physiology Laboratory Training for Emergency Medical Technicians
Funding Agency: The University of Texas Health Science Center at Houston
Role: Co-PI
Dates: 1980–81
Cost: \$27,000
Grant/Contract: Contract
62. **Title:** Grants for Physician Assistants Training Program
Funding Agency: US Department of Health, Education, and Welfare
Role: Co-PI
Dates: 1980–83
Cost: \$685,843 total; \$228,614 per year
Grant/Contract:
63. **Title:** Curriculum Training Core—WIC Breastfeeding Project
Funding Agency: US Department of Agriculture
Role: PI
Dates: 1979–80
Cost: \$30,733
Grant/Contract: Contract
64. **Title:** Development of a Course on Prevention Focusing on Cancer for Physician Assistants
Funding Agency: National Cancer Institute Contract
Role: PI
Dates: 1979–83
Cost: \$364,513 total; \$91,128 per year
Grant/Contract: Contract
65. **Title:** Basic Techniques for Evaluating Students in the Health Sciences: An Interdisciplinary Institute
Funding Agency: US Department of Health, Education, and

- Welfare, US Public Health Service, Division of
Associated Health Professions
- Role:** PI
Dates: 1978–79
Cost: \$12,953
Grant/Contract: Contract
66. **Title:** Education for the Physician Assistant
Funding Agency: US Department of Health, Education, and
Welfare, U.S. Public Health Service
Role: Co-PI
Dates: 1977–80
Cost: \$720,900 total; \$240,300 per year
Grant/Contract: Grant
67. **Title:** Medical Information for Social Workers
Funding Agency: Texas Department of Public Welfare
Role: PI
Dates: 1977–80
Cost: \$25,418 total; \$12,709 per year
Grant/Contract: \$25,418
68. **Title:** Emergency Medical Technician Training Contract
Funding Agency: City of Houston Department of Public Health
Role: PI
Dates: 1977–79
Cost: \$22,375 total; \$11,187 per year
Grant/Contract: Contract
69. **Title:** Acquisition, Retention, and Transfer of
Nutritional Information Into Dietary Behavior by
High School Students
Funding Agency: The Pew Memorial Trust
Role: Co-PI
Dates: 1977–79
Cost: \$25,000 total; \$12,500 per year
Grant/Contract: Grant
70. **Title:** Basic Techniques for Evaluating Students in the
Health Sciences
Funding Agency: US Department of Health, Education, and
Welfare, US Public Health Service, Division of
Associated Health Professions
Role: PI
Dates: 1977–78
Cost: \$10,231
Grant/Contract: Grant
71. **Title:** Continuing Education Grant
Funding Agency: Amoco Foundation
Role: PI
Dates: 1976–78
Cost: \$30,000 total; 15,000 per year
Grant/Contract: Grant
72. **Title:** Planning Grant for Nurse-Midwifery Program

- | | | |
|--|------------------------|---------------------------------|
| | Funding Agency: | Hearst Foundation |
| | Role: | PI |
| | Dates: | 1975-79 |
| | Cost: | \$10,000 total; \$2500 per year |

80. **Title:** A Study of Change in Selected Teacher Education Interns' Behavior Using Videotape Recordings
- | | |
|------------------------|---------------------------------|
| Funding Agency: | US Office of Education Research |
| Role: | PI |
| Dates: | 1968–69 |
| Cost: | \$10,000 |
| Grant/Contract: | Grant |
81. **Title:** Teacher Corps Cycles I and II, Training Grants
- | | |
|------------------------|------------------------------------|
| Funding Agency: | US Office of Education |
| Role: | Co-PI |
| Dates: | 1966–68 |
| Cost: | \$251,581 total; \$83,860 per year |
| Grant/Contract: | Grant |

Note: Grants and contracts 1–79, totaling \$20,667,465, were awarded at Baylor College of Medicine.

B. National Scientific Participation

1. Journal editorial boards

Reviewer (2008–Present)

Texas Public Health Journal

Reviewer (2000–Present)

Monographs of the Institute for Quality Improvement in Long Term Health Care

Reviewer (1994–Present)

Journal of the American Geriatrics Society

Reviewer (1988–Present)

The Gerontologist

Co-Editor (2003–04)

Allied Health Bibliography in Aging
Association for Gerontology in Higher Education

Editorial Board Member (1985–92)

Journal of Allied Health

Contributing Editor (1980–87)

Society of Allied Health Professions Bulletin

Associated Editor (1978–81)
Journal of Allied Health and Behavioral Sciences
Consulting Editor (1973–76)
Acta Symbolica

2. Review panels

Panel Member (1999–2003)
Special Review Panel on Alternative Medicine/Chiropractic Outcomes
National Institutes of Health
Bethesda, MD

Panel Member (1997–2005)
Retirement Research Foundation
Chicago, IL

Panel Member (2010)

- Electronic Patient Registries for Critical Access Hospitals
- GEC Equipment ARRA Grants
- Geriatric Medicine, Dental, and Mental Health Fellowship Program

Panel Member (2007)

- HRSA FLEX Critical Access Hospital/Electronic Health Record HIT Grant Program
- WIC Oral Health Community Grant Program

Panel Member (2004–06)

- Quentin Burdick Rural Health Grant Program Committee

Panel Member (2001–03)

- Ad Hoc Panel on CPMS

Panel Member (2001)

- Geriatric Education Centers

Panel Member (1999)

- Geriatric Academic Career Awards

Panel Member (1991–98, 2001)

- Review Panel for Geriatric Education Centers

Panel Member (1990–1992)

- Allied Health Merit Review Committee

Human Resources and Services Administration
US Department of Health and Human Services
Washington, DC

Panel Member (1993–1994)

National Advisory Committee to Evaluate Geriatric Education Centers

Bureau of Health Professions

Human Resources and Services Administration

US Department of Health and Human Services

Washington, DC

Accreditation Site Visitor (1976–92)

Southern Association of Colleges and Schools

Decatur, GA

Reviewer (1987–90)

NSF Merit Review System

National Science Foundation

Washington, DC

Chairman (1980–82)

Professional Advisory Committee

March of Dimes Birth Defects Foundation

Houston, TX

Committee Member (1978)

Special Grant Review Committee for Multipurpose Arthritis Centers

National Institute for Arthritis, Metabolism, and Digestive Diseases

National Institutes of Health

Bethesda, MD

3. Professional societies and organizations

Founding Director, Institute for Advanced Thought on Aging (2015–Present)

Founding Member (2007–Present)

Special Interest Group on Disaster Preparedness Issues

American Geriatrics Society

Co-chair (2002–Present)

Bioterrorism and Emergency Preparedness Committee

National Association of Geriatric Education Centers

- Emeritus Member (1990–Present)
 - Member (1988–90)
Finance Committee
 - Director and Executive Committee Member (1985–88)
- Southern Association of Allied Health Deans at Academic Health Centers

President (2011–12)

National Association for Geriatric Education and National Association of Geriatric Education Centers

Member (2012–Present)

International Network for the Prevention of Elder Abuse

- Chair (2008–2010)
Humanities and Arts Committee
 - Member (2005–2011)
GSA Computers and Technology Committee
 - Member, Executive Committee (2005–2007)
Behavioral and Social Sciences Section
 - Member (2004–07)
Humanities and Arts Committee
- Gerontological Society of America

- President (1997–2000)
 - Council Member (1993–97)
- National Association of Geriatric Education Centers

Founding Member (1996)

Special Interest Group in Health Professions

Association for Educational and Communications Technology

Member (1988–92)

Education Committee

Association for Gerontology in Higher Education

Board Member (1988–90)

Texas Society of Allied Health Professions

Member (1975–89)

Legislative Committee and International Education Committee
American Society of Allied Health Professions

Member (1985–87)
Subcommittee on Evaluation
Health Policy Agenda for the American People
American Medical Association

Member (1981–83)
Council of Educational Institutions
American Society of Allied Health Professions

Representative (1971–77)
Texas Advisory Council for Vocational-Technical Education

President (1969)
Phi Delta Kappa Fraternity International
University of Houston Chapter

Member (1968)
Phi Kappa Phi National Honor Society
University of Houston Chapter

4. Invited lectures, presentations, research seminars: National, international

1. Hirst S, Gibson M, Gutman G, Fitzgerald K, Roush R. Seniors and emergencies: International working group on health professionals and continuity of care. Disaster nursing. Paper presented at: World Society of Disaster Nursing Research Conference; August 23–24, 2012; Cardiff, Wales.
2. Gutman G, Gibson M, Hirst S, Fitzgerald K, Fisher R, Roush RE. Using technology to promote disaster resilience in seniors: Potential and barriers. Paper presented at: 40th Annual Scientific and Educational Meeting of the Canadian Association for Gerontology; October 21–23, 2011; Ottawa, Canada.
3. Roush RE, Childs D. Preventing elder investment fraud: Assessing for vulnerability to financial exploitation. Paper presented at: 12th Annual Oregon Geriatrics Society Conference; October 7, 2011; Sunriver, OR.
4. Roush RE. Educating physicians to recognize and report elder financial exploitation. Paper presented at: 22nd National Adult Protective Services Conference; September 22, 2011; Buffalo, NY.

5. Roush RE, Blandin D. How health professionals can help prevent elder financial exploitation: A workshop for PGCM's. Paper presented at: Annual Meeting of the National Association of Professional Geriatric Care Managers; May 13, 2011; New Orleans, LA.
6. Roush RE, Moseley V. Preventing elder investment fraud: Assessing for vulnerability to financial exploitation. Paper presented at: 25th Annual Illinois Elder Rights Conference; July 8, 2011; Chicago, IL.
7. Roush RE. What health care professionals need to know about emergency preparedness for vulnerable populations at their sites of care. Paper presented at: Great Lakes Homeland Security Conference; May 4, 2011; Grand Rapids, MI.
8. Roush RE, Saunders M. Aging cells, aging organisms, aging societies: What public health can do for the commonweal. Paper presented at: Annual Meeting of the Texas Public Health Association; April 14, 2011; Houston, TX.
9. Roush RE. Overview of geriatrics emergency preparedness and response issues: Helping older people in disasters. Paper presented at: Spring Series of Conferences on Effective Geriatrics Care, Texas Southern University, College of Pharmacy and Health Sciences; March 12, 2011; Houston, TX.
10. Roush RE. Educating the people most older persons see: Their doctors. Paper presented at: National Summit on Elder Financial Exploitation, National Adult Protective Services Association; November 11, 2010; San Diego, CA.
11. Gibson M, Gutman G, Roush RE, et al. Activities of a voluntary, international, inter-professional, inter-sectoral partnership on emergency management and older adults: Focus on health care providers and disaster recovery. Paper presented at: International Conference on Rebuilding Sustainable Communities with the Elderly and Disabled People after Disasters, The University of Massachusetts; July 12-15, 2010; Boston, MA.
12. Roush RE, Gutman G. Using preventive gerontechnological systems to monitor residents' behavior for health services during emergencies. Paper presented at: Seventh World Conference of the International Society for Gerontechnology; May 28, 2010; Vancouver, BC, Canada.
13. Roush RE. What health care professionals need to know about emergency preparedness issues for their older patients. Paper presented at: Summer Institute of the University of North Carolina Geriatric Education Centers; July 23, 2009; Asheville, NC.
14. Roush RE. What health care professionals need to know about emergency preparedness issues for their older patients. Paper presented at: Summer Institute of the Oklahoma Geriatric Education Centers; July 15, 2009; Norman, OK.

15. Roush RE. What health care professionals need to know about emergency preparedness issues for their older patients. Paper presented at: International Association of Gerontology and Geriatrics; July 6, 2009; Paris, France.
16. Roush RE. What health care professionals need to know about emergency preparedness issues for their older patients. Paper presented at: Summer Institute of the University of North Texas Health Science Center; June 24, 2009; Fort Worth, TX.
17. Roush RE. What health care professionals need to know about emergency preparedness issues for their older patients. Paper presented at: Summer Institute of the UTHSC–San Antonio Geriatric Education Centers; June 19, 2009; San Antonio, TX.
18. Roush RE. What health care professionals need to know about emergency preparedness issues for their older patients. Keynote address presented at: Summer Institute of the Alaska Geriatric Education Centers; June 5, 2009; Anchorage, AK.
19. Roush RE, Lamb K. What health care professionals need to know about emergency preparedness issues for their older patients. Paper presented to: Special Interest Group on Emergency Preparedness, Annual Meeting of the American Geriatrics Society; May 1, 2009; Chicago, IL.
20. Roush RE. Keynote address. Paper presented at: Annual Meeting of the National Music Teachers Association of America; March 28, 2009; Atlanta, GA.
21. Roush RE. What LTC administrators need to know about geriatric emergency preparedness at their facilities. Keynote address presented at: Annual Meeting of the Indiana State Long-term Care Association; September 23, 2008; Indianapolis, IN.
22. Roush RE. Preventing elder financial fraud. Paper presented at: HRSA Grantee Meeting; February 25–27, 2008; Washington, DC.
23. Roush RE. New concepts in the prevention of bioterrorism: Geriatric emergency preparedness and response issues. Paper presented at: Seventh Annual LSU Geriatrics Update; December 8, 2007; New Orleans, LA.
24. Roush RE. Emergency preparedness issues in long-term care. Paper presented at: Jewish Home Lifecare, Manhattan Campus; October 12, 2007; New York, NY.
25. Roush RE. Mental health issues health care professionals need to know in geriatric emergency preparedness. Paper presented at: Conference on Persons with Disabilities and the Elderly in Emergencies and Disasters, University of Alabama; August 28, 2007; Birmingham, AL.
26. Roush RE. The arts and aging: Creative expression in late life for enjoyment and for therapy. Paper presented at: MetLife

Foundation National Arts Forum Series, Museum of Fine Arts;
March 18, 2007; Houston, TX.

27. Morrison L, Roush R. Teaching presentation skills: Resurrection of geriatrics grand rounds and cycles of improvement. Paper presented at: 30th Annual Meeting of the Society of General Internal Medicine; April 26, 2007; Toronto, Ontario, Canada.
28. Roush RE [discussant]. Let's rethink disaster preparedness and response: Lessons learned from the U.S., Canada, Israel, and Cuba. Paper presented at: Annual Meeting of the American Society on Aging; March 9, 2007; Chicago, IL.
29. Roush RE. Geriatric emergency preparedness and response issues. Paper presented at: Association of Schools of Public Health/CDC Vulnerable Populations Collaboration Group Meeting; February 23, 2007; Washington, DC.
30. Roush RE. Disaster mental health issues for caregivers of older people. Paper presented at: Winnipeg International Workshop on Seniors and Emergency Preparedness, The Canadian Public Health Agency Division of Aging and Seniors; February 6–9, 2007; Winnipeg, Manitoba, Canada.
31. Roush RE. Being "on stage": Improving your platform presentation skills doing what better teachers do and using competency-based evaluation. Paper presented to the Association of Gerontology in Higher Education Pre-conference Workshop; November 16, 2006; Dallas, TX.
32. Roush RE. Disaster mental health issues for caregivers of older people. Paper presented at: Annual Meeting of the American Association for Homes and Services for the Aging; November 5, 2006; San Francisco, CA.
33. Roush RE. Geriatric emergency preparedness and response issues: an all hazards approach for health care providers. Paper presented at: Meharry Medical College; July 12, 2006; Nashville, TN.
34. Roush RE. Geriatric emergency preparedness and response issues for caregivers in LTC facilities. Paper presented at: University of Texas School of Public Health; July 13, 2006; Houston, TX.
35. Roush RE, Lamb K, Hoffman K. Geriatric emergency preparedness and response issues in the event of an avian influenza pandemic. Paper presented at: American Association for Homes and Services for the Aging; July 12, 2006; Washington, DC.
36. Roush RE. Geriatric emergency preparedness and response issues regarding disaster mental health. Paper presented at: Harvard University Positive Aging Resource Center in conjunction with the Annual Meeting of the American Society on Aging; July 11, 2006; San Francisco, CA.
37. Roush RE, Hollinger-Smith L, Lamb K, Hagen J. Geriatric

emergency preparedness and response issues for long-term care professionals. Paper presented at: Annual Meeting of the Life Services Network; April 7, 2006; Chicago, IL.

38. Roush RE, McBride M, Tumosa, N. Enhancing the safety and well-being of older adults through age-specific emergency preparedness programs. Paper presented at: Annual Meeting of the American Society on Aging; March 17, 2006; Anaheim, CA.
39. Roush RE. Becoming a better teacher through microteaching. Paper presented at: Northern California Geriatric Education Center Geriatrics Faculty Scholar Program; February 25, 2006; Berkeley, CA.
40. Roush RE. What the caregivers of older people need to know about bioterrorism and emergency preparedness. Paper presented at: Disaster Planning and Seniors: Coordinating a Global Response, a preconference meeting of the White House Conference on Aging, sponsored by the Public Health Agency of Canada; December 10, 2005; Washington, DC.
41. Roush RE, Tumosa N. Interdisciplinary collaborations in emergency preparedness in aging: Reaching beyond individual Geriatric Education Centers. Paper presented at: 58th Annual Scientific Meeting of the Gerontological Society of America; November 19, 2005; Orlando, FL.
42. Roush RE. Bioterrorism and emergency preparedness in aging: Is nursing prepared? Paper presented at: 121st Meeting of the National Advisory Committee on Nursing Education and Practice; November 3, 2004; Washington, DC.
43. Roush RE, Stiles N, A Johnson. Bioterrorism and emergency preparedness in aging curriculum development projects. Paper presented at: 21st Annual Summer Series on Aging, Sanders-Brown Center on Aging, University of Kentucky; June 16, 2004; Lexington, KY.
44. Roush RE. Bioterrorism curriculum development in geriatrics. Paper presented to: Southwest Leaders in Geriatrics at the Annual Meeting of the American Geriatrics Society; May 20, 2004; Las Vegas, NV.
45. Roush RE. Bioterrorism training for caregivers of older people. Paper presented at: UTeach Virtual Conference at the University of Texas Health Science Center; March 29–April 8, 2004; Houston, TX.
46. Roush RE, Tumosa N, A Johnson. Bioterrorism and emergency preparedness curricula in geriatrics. Paper presented at: Consensus Conference of the National Collaboratory on Bioterrorism and Emergency Preparedness in Aging; January 29–30, 2004; Miami Beach, FL.
47. Roush RE, Perweiler E, A Johnson. Bioterrorism training for

caregivers of older people. Paper presented at: 56th Annual Scientific Meeting of the Gerontological Society of America; November 24, 2003; San Diego, CA.

48. Roush RE. What older people want, need to know from the WWW. Paper presented at: Novartis Foundation for Gerontology Symposium, the 17th World Congress of Gerontology; July 6, 2001; Vancouver, BC, Canada.
49. Roush RE. Celebrating older artists: Past and present. Paper presented at: 17th World Congress of Gerontology; July 2, 2001; British Columbia.
50. Roush RE, Deering MJ, Simonson W. Smart consumers: How the web is changing behavior in healthcare. Paper presented at: First Joint Conference of the American Society on Aging and the National Council on Aging; March 9, 2001; New Orleans, LA.
51. Roush RE. Judging health web sites: Writing information prescriptions for web sites in aging. Paper presented at: Second Biennial SPRY Foundation Conference on Health Information, Older Adults, and the WWW, National Institutes of Health; February 26, 2001; Bethesda, MD.
52. Roush RE. Health professionals' perceptions of benefits to older persons' use of the Internet. Paper presented at: SPRY Foundation Conference on Health Information, Older Adults, and the WWW, National Institutes of Health; March 26, 1999; Bethesda, MD.
53. Roush RE. Interdisciplinary geriatrics teams in managed care organizations. Paper presented at: Second Annual HRSA Cross-Program Conference; June 8, 1998; Las Vegas, NV.
54. Roush RE. Scholarly productivity: How it's measured and how it's produced. Paper presented at: Fifth Annual Meeting of the Association of Chiropractic Colleges; March 13, 1998; Las Vegas, NV.
55. Roush RE. Witness at the US Senate Subcommittee on Public Health and Safety Hearing on Consolidation and Reauthorization of Health Professions Programs; April 25, 1997; Washington, DC.
56. Roush RE. The challenge of attracting students in the health professions to geriatrics. Paper presented at: Fourth Annual St. Louis Summer Institute in Geriatrics; June 15-16, 1993; St. Louis, MO.
57. Roush RE. Geriatric Education Centers in the US. Paper presented at: Japan Well Aging Association and Tokyo Metropolitan Institute of Gerontology; June 7, 1992; Tokyo, Japan.
58. Roush RE. Recommendations on Year 2000 health objectives for older Texans. Paper presented at: 31st Annual Meeting of the American Society on Aging; March 17, 1991; New Orleans, LA.

59. Roush RE [interviewee]. *The Longevity Revolution*. Aired on *Advances in Health* [PBS television program]; September 23, 1989; Birmingham, AL.
60. Roush RE [discussant]. Forum on Personnel for Health Needs of the Elderly, National Institute on Aging; October, 1986; Bethesda, MD.
61. Roush RE [discussant]. Workshop for Geriatric Education Centers, Department of Health and Human Services, Bureau of Health Professions, hosted by the Education Development Center and Harvard Medical School, Division of Aging; February, 1986; Boston, MA.
62. Roush RE [panelist]. Symposium on Health Care in Developing Countries, Silver Jubilee of King Saud University; January, 1982; Riyadh, Saudi Arabia.
63. Roush RE [panelist]. Symposium on Developing Courses in Prevention Focusing on Cancer, RIME Conference, 92nd Annual Meeting of the Association of American Medical Colleges; November, 1981; Washington, DC.
64. Roush RE. Research in medical education. Paper presented to: Faculty of Medicine, Autonomous University of Guadalajara; May, 1981; Guadalajara, Mexico.
65. Roush RE. Certified nurse midwives in the US. Paper presented at: University of Fortaleza; October, 1979; Fortaleza, Brazil.
66. Roush RE. Welcoming Address made to: Fifth Annual Meeting of the Association of Schools of Allied Health Professions; November, 1972; Houston, TX.
67. Roush RE. Using the Flanders verbal interaction analysis system in US teacher training programs. Paper presented at: Brazilian University Modernization Program, US Agency for International Development; April, 1968; Houston, TX.

III. TEACHING INFORMATION

A. Didactic course work

1. Courses taught at BCM within the primary department

1. Instructor, Microteaching exercise for Department of Medicine Geriatrics fellows (1989 to present).
2. Coordinator, Quarterly Faculty Development CME Program for the Section of Geriatrics, Department of Medicine, and Geriatrics and

Extended Care Service faculty and staff at Houston VA Medical Center (1989–2007).

3. Visiting Professor, Current Issues in Health Professions Education, a BCM Graduate School course for allied health students. Three hours weekly, one term per year (1972–89).

2. Courses taught at BCM external to primary department

1. Coordinator and convener, Gerontology CME, 91 courses providing 13,932 clock hours for almost 4,000 health care workers (1989 to present), and 25 Texas Consortium of Geriatric Education Centers statewide Professional Development Institutes and consortium-sponsored programs attended by 55,250 individuals (1985–2001). Sponsored by TCGEC and the Section of Geriatrics, Department of Medicine.
2. Coordinator, Medical Terminology and Anatomy and Physiology, an annual eight-week course offered for the 41st time in 2014.
3. ICE course facilitator, Teaching Methods, a course for senior medical students. Spring semester (2001–07).
4. Founding instructor, Introduction to Research Methods (BCM #051-403), a BCM Graduate School course for nurse anesthetist students. Two hours weekly, one term per year (1983–90).
5. Facilitator for APEX, Teaching 101, a required course for fourth-year medical students on their roles as future interns (2008–2010).

3. Courses taught at other institutions while at BCM

1. Guest lecturer in Allied Health Graduate School, Texas A&M, Houston, TX. Three hours per session, four sessions per term (1972–89).
2. Guest lecturer in Allied Health Graduate School, University of Houston, Houston, TX. Three hours per session, four sessions per term (1972–89).

3. Lecturer in Health Communications, a course on communicating effectively with older people, University of Houston–Downtown, Houston, TX. Fall semester (2007–09).
4. Adjunct Instructor, HLTH4360: Research Methods and Statistics in Health Promotion, College of Health Sciences, Sam Houston State University (Spring 2016).

B. Curriculum development work

1. Roush R, Allen B, Altman B, Gulley K. Lesson 2-1: Chronic and acute conditions. In: Gulley K, Altman B, Schor K, eds. *Caring for Older Adults in Disasters: A Curriculum for Health Professionals*. Washinton, D.C.: Uniformed Services University of the Health Sciences. Forthcoming 2015.
2. Roush R, Allen B, Altman B, Gulley K. Lesson 3-1: Disaster types. In: Gulley K, Altman B, Schor K, eds. *Caring for Older Adults in Disasters: A Curriculum for Health Professionals*. Washinton, D.C.: Uniformed Services University of the Health Sciences. Forthcoming 2015.
3. Roush R, coordinator. TCGEC distance learning initiative. Houston, TX: Baylor College of Medicine; ongoing.
<https://www.bcm.edu/centers/huffington-center-on-aging/education/medical-student-education/tcgec-distance-learning>.
4. Roush R. Preventing elder investment fraud and financial exploitation. Six CME programs developed and presented to 553 physicians, nurses, and social workers 2011–12.
5. Roush R. Geriatric emergency preparedness and response issues. Seven CME programs developed and offered in conjunction with The University of Texas School of Public Health and the Centers for Disease Control and Prevention, February–July 2009.
6. Roush R. Assessing patients' vulnerability to elder investment fraud and financial exploitation. Ten CME programs developed and offered statewide in conjunction with the Texas Academy of Family Physicians to primary care practitioners, January–April 2009.
7. Roush R, Garcia A, Wilson P, et al. Interdisciplinary geriatrics clinical experience in health literacy and the blog@TCGEC. Developed and offered statewide to link TCGEC consortium partners in geriatrics education, 2007.
8. Taffet G, Roush R. Geriatrics-specific curriculum and white paper on bioterrorism and emergency preparedness for caregivers of older people. Developed as first of its kind. Rockville, MD: Health Resources and Services Administration; 2005.

9. Roush R, Founding Director, Center for Allied Health Professions, which was established in August 1971. Duties included coordinating curriculum development, including external programmatic accreditation for the following list of current and former BCM programs (1971–89):
 - Physician Assistant (Certificate to B.S.)
 - Medical Terminology/Anatomy and Physiology (CME)
 - Graduate Teacher Education Programs (M.Ed., Ed.D.)
 - Nuclear Medicine Technology (B.S.)
 - Nurse Midwifery (Certificate to M.S.)
 - Nurse Anesthesia (M.S.)
 - Perfusion Technology (B.S.)
 - Medical Technology (Certificate)
 - Radiation Therapy (Certificate)
 - EEG Technician (Certificate)
 - Cytotechnology (Certificate)
 - Child Health Associate (Certificate)
 - DeBakey High School for Health Professions (Diploma)
 - Other School-Based Programs (e.g., South Texas High School for the Health Professions) (Diploma)
 - Texas Consortium Geriatric Education Center (CME)

C. Non-didactic teaching while at BCM

1. Resident training

Microteaching techniques to improve instructional and presentation skills. One afternoon per week for one month per rotation (1987–2006).
Section of Geriatrics, Department of Medicine, and Geriatrics and Extended Care Service, Houston VA Medical Center.

2. Clinical Fellow training

Jerome Skelly, MD	1990-92	South Bend, IN
Lydia Quiones, MD	1989-91	VAMC, Houston, TX
Ronald Schonwetter, MD	1988-90	Tampa, FL
Terry Melvin, MD	1987-89	Chattanooga, TN

3. Research Fellow training: N/A

4. Graduate Student training:

1. Farr J. *Evidence-Based Characteristics of Older Adults at Risk of Mortality or Morbidity During Disaster Sheltering Experiences* [dissertation]. Baltimore: University of Maryland School of Nursing and the Johns Hopkins University School of Nursing; 2008.
2. Brett-MacLean P. *Art(ists) in the Making: Exploring Narratives of Coming to Art in Later Life*. [dissertation]. Vancouver, BC, Canada: University of British Columbia; 2007.
3. Perkins C. *Internship in Geriatrics* [dissertation]. Waco, TX: Baylor University; 2002.
4. Harris DD. *A Comparison of Functional Health Ratings in Subjects Using a Personal Response System, When Classified by Baseline Functional Level* [thesis]. Houston, TX: Baylor College of Medicine; 2001.
5. Chanpong GF. *Cost-Effectiveness Evaluation of a Personal Response System Serving Community-Residing Elders* [dissertation]. Houston, TX: University of Texas School of Public Health; 1999.

6. Teasdale E. *Acceptance of Health Promotion Programs by Houston-Area Seniors and Their Practitioners* [thesis]. Houston, TX: Texas Woman's University; 1998.
7. Verrill L. *Physical Fitness and Self-Concept in Older Sedentary, Active, and Athletic Older Adults* [dissertation]. Houston, TX: University of Houston; 1992.
8. Waugh D. *Psychosocial Factors Related to Academic Success Among Student Nurses in a Historically Black Institution* [dissertation]. Houston, TX: University of Houston; 1992.
9. Castillo J. *Health Care Services Utilization Behavior of Mexican Americans* [dissertation]. Houston, TX: University of Houston; 1986.
10. Moncayo I. *Development and Validation of a Rating Scale Device to Evaluate Teaching Skills of Medical School Faculty at the Autonomous University of Guadalajara, Mexico* [dissertation]. Houston, TX: University of Houston; 1980.
11. Velasco N. *Problem Solving Versus Traditional Clinical Teaching Methods in Learning Dermatology at Universidad Autonoma de Guadalajara: A Comparative Study* [dissertation]. Houston, TX: University of Houston; 1979.
12. Bailey M. *Attitudes Toward Death and Dying in Nursing Students* [dissertation]. Houston, TX: University of Houston; 1976.
13. White RC. *A Study of Attitudes Among Three Groups of Allied Health Educators Toward Educational and Allied Health Concepts* [dissertation]. Houston, TX: University of Houston; 1976.
14. Kacen A. *A Conceptual Model for the Study of Emergent Occupations and Its Application to an Emergent Health Occupation: A Study of the Type A Physician's Assistant* [dissertation]. Houston, TX: University of Houston; 1973.

5. Medical student mentoring: N/A

D. Lectures (include location, title of presentation, dates)

1. International

1. Roush RE (Symposium chair), Gutman G, Factora R, Blandin, D. Financial abuse of older persons: A global issue for health and legal professionals. International Association of Gerontology and Geriatrics, European Region 8th Congress; April 25, 2015; Dublin, Ireland.
2. Roush RE, Gutman G. Using preventive gerontechnological systems to monitor residents' behavior for health services during emergencies. Paper presented at: Seventh World Conference of the International Society for Gerontechnology; May 28, 2010; Vancouver, BC, Canada.
3. Fitzgerald K, Gibson M, Fisher R, Roush RE, Powell S. What we know about caring for frail older people in disasters (and what should we

know?). Paper presented at: Canadian Association on Gerontology; October 24, 2009; Winnipeg, MB, Canada.

4. Roush RE. eNeighbor: A preventive system monitoring residents' behavior for health services. Paper presented at: GeronTechno Platform, 19th International Association of Geriatrics and Gerontology World Congress; July 7, 2009; Paris, France.
5. Roush RE, Fisher R, Gibson M, Hirst S, Mazurik L. What health care providers need to know about older people in disasters. Paper presented at: 19th International Association of Geriatrics and Gerontology World Congress; July 6, 2009; Paris, France.
6. Roush RE, Cefalu C. What health professionals need to know about emergencies and vulnerable groups and what this means for curricula and education. Paper presented at: Third Meeting of the Canadian Division of Aging and Seniors International Work Group on Disaster Preparedness Issues for Caregivers of Older People; March 15–19, 2008; Halifax, NS, Canada.
7. Roush RE, Gutman G. Geriatric emergency preparedness and response: Disaster mental health issues for caregivers of older persons. Paper presented at: 19th IUHPE World Conference on Health Promotion and Health Education—Health Promotion Comes of Age: Research, Policy and Practice for the 21st Century; June 10–15, 2007; Vancouver, BC, Canada.
8. Roush RE. Geriatric emergency preparedness and response: Disaster mental health issues. Paper presented at: Workshop on Seniors and Emergency Preparedness; February 8, 2007; Winnipeg, MB, Canada.
9. Roush RE. Geriatric emergency preparedness and response issues for caregivers of older people. Paper presented at: Invitational Meeting of the Canadian Public Health Agency, Division of Aging and Seniors; February 27, 2006; Toronto, CA.
10. Roush RE. What older people want, need to know from the WWW. Paper presented at: Novartis Foundation for Gerontology Symposium, 17th World Congress of Gerontology; July 6, 2001; Vancouver, BC, Canada.
11. Roush RE. Celebrating older artists: Past and present. Paper presented at: The 17th World Congress of Gerontology; July 2, 2001; Vancouver, BC, Canada.
12. Roush RE, Teasdale TA. Personal emergency response systems on the home care team help achieve positive outcomes: Lower hospital utilization and increased communication between providers and patients. Paper presented at: Fifth National Home Care Conference; May 29, 1995; Edmonton, AB, Canada.
13. Lucci RJ, Roush RE, McCullough LB. Geroethics in the Americas: Implications of a pilot survey of selected geriatricians. Paper presented at: First Pan American Congress on Gerontology; February 19–23, 1995; Sao Paulo, Brazil.

14. Roush RE, Teasdale T, Kirk S. Reduced hospitalization rates of two sets of community residing older adults before and after use of a personal emergency response system. Paper presented at: Second International LTC Conference on Case Management, Canadian Home Care Association; September 17–19, 1994; Toronto, ON, Canada.
15. Roush RE, Lucci RJ, McCullough LB. Geriatrics update. Paper presented at: International Medical Summit II; October 29, 1993; Houston, TX.
16. McCullough LB, Lucci RJ, Roush RE. Selected geriatricians' training and experience with geroethics issues. Paper presented at: 15th World Congress of Gerontology; July 9, 1993; Budapest, Hungary.
17. Roush RE. Geriatric Education Centers in the U.S. Paper presented at: Japan Well Aging Association and Tokyo Metropolitan Institute of Gerontology; June 1992; Tokyo, Japan.
18. Roush RE, Beall AC, Nathanson J, Beall M. Trends in the training of cardiopulmonary perfusionists. Paper presented at: Sixth Annual Meeting of the Michael E. DeBakey International Cardiovascular Society; September 1984; Monte Carlo, Monaco.
19. Roush RE [panelist]. Symposium on Health Care in Developing Countries, Silver Jubilee of King Saud University; January 1982; Riyadh, Saudi Arabia.
20. Roush RE. Research in medical education. Paper presented to: Faculty of Medicine, Autonomous University of Guadalajara; May 1981; Guadalajara, Mexico.
21. Roush RE, Thomson WA. The role of physician extenders in the prevention and detection and patient rehabilitation of neoplastic disease in primary care settings. Paper presented at: Fourth International Symposium on the Prevention and Detection of Cancer; July 1980; London, England.
22. Roush RE. Certified nurse midwives in the U.S. Paper presented at: University of Fortaleza; October 1979; Fortaleza, Brazil.
23. Almstedt V, Spiker CA, Weinberg AD, Roush RE. A study of a nutrition education program for parents and teenagers. Paper presented at: The American Education Research Association's Annual Meeting; May 1978; Toronto, Canada.
24. Roush RE. Using the Flanders Verbal Interaction Analysis System in U.S. teacher training programs. Paper presented at: Brazilian University Modernization Program, U.S. Agency for International Development; April 1968; Houston, TX.

2. National

1. Blandin, D, Stiegel, L, Faught, I, Roush, RE. Elder Financial Abuse: Reaching People Where They Live. Annual Meeting of the American

Society on Aging; March 21, 2016; Washington, D.C.

2. Roush RE, Marson D, Stiegel L, Blandin, D. Why connect doctors of medicine and jurisprudence to efforts to prevent elder financial abuse? Paper presented at: 67th Annual Scientific Meeting of the Gerontological Society of America; November 7, 2014; Washington, D.C.
3. Roush RE. Remarks on the EIFFE Program. Paper presented at: White House Commemoration Event for World Elder Abuse Awareness Day; June 14, 2012; Washington, D.C.
4. Roush RE, Naik A. Screening your patients for vulnerability to elder investment fraud and financial exploitation. Paper presented at: American Geriatrics Society; May 3, 2012; Seattle, WA.
5. Roush RE, Blandin D, Price T, Lam R, Feather J, Humphrey H. How health professionals can help prevent elder investment fraud. Paper presented at: Annual Meeting of the American Society on Aging; March 29, 2012; Washington, DC.
6. Roush RE, Blandin D, Krueger P. How health professionals can help prevent elder investment fraud. Paper presented at: Annual Meeting of the American Society on Aging; April 26, 2011; San Francisco, CA.
7. Roush RE, Childs D. What health care professionals need to know to prevent elder investment fraud and financial exploitation. Paper presented at: Annual Statewide Gerontological Conference of the Oregon State University; April 7, 2011; Corvallis, OR.
8. Roush RE, Miner H. Preventing elder investment fraud and financial exploitation: results of developing a continuing education program on EIFFE. Paper presented at: Annual Meeting of the National Area Health Education Centers Organization; June 21–22, 2010; Las Vegas, NV.
9. Roush RE, Naik A. Preventing elder investment fraud and financial exploitation: results of developing a continuing education program on EIFFE. Paper presented at: 62nd Annual Scientific Meeting of the Gerontological Society of America; November 21, 2009; Atlanta, GA.
10. Roush RE, Meriano C. Creative use of sensor/alert technology may enable elders living alone to delay transition to higher levels of care: A tested hypothesis. Paper presented at: 62nd Annual Scientific Meeting of the Gerontological Society of America; November 20, 2009; Atlanta, GA.
11. Roush RE, et al. Creative approaches to healthy aging: Using the arts to help persons live with dementia. Paper presented at: 62nd Annual Scientific Meeting of the Gerontological Society of America; November 19, 2009; Atlanta, GA.
12. Roush RE, Lamb K. What health professionals need to know about emergency preparedness issues for their older patients. Paper

presented at: American Geriatrics Society SIG on Emergency Preparedness; May 1, 2009; Chicago, IL.

13. Roush RE, Johnson A, Tumosa N, Howe J, Lamb K, McBride M. Safeguarding better futures for older adults through health providers with geriatric training in disaster preparedness. Paper presented at: Annual Meeting of the Association of Gerontology in Higher Education; February 27, 2009; San Antonio, TX.
14. Roush RE. Six model curricula on disaster preparedness: enhancing knowledge and strengthening elder resiliency. Paper presented at: 61st Annual Scientific Meeting of the Gerontological Society of America; November 24, 2008; National Harbor, MD.
15. Roush RE. What geriatricians need to know about emergency preparedness issues: implications for education and training. Paper presented at: American Geriatrics Society SIG on Emergency Preparedness; May 2, 2008; Washington, DC.
16. Roush RE. What health care professionals need to know about emergency preparedness and aging: Implications for curricula. Paper presented at: Annual Meeting of the American Society on Aging; March 29, 2008; Washington, DC.
17. Roush RE, Naik A, Taffet G, McCullough L, Marson D, Triebel K. A screening protocol to assess vulnerability to elder financial fraud. Paper presented at: 60th Annual Scientific Meeting of the Gerontological Society of America; November 17, 2007; San Francisco, CA.
18. Roush RE. Geriatric emergency preparedness issues for long-term care administrators and staff. Paper presented at: Jewish Home and Hospital Lifecare System; October 11, 2007; New York, NY.
19. Roush RE. Webcast on pandemic influenza preparedness measures for older people. Paper presented at: American Association of Homes and Services for the Aging; July 13, 2006; Washington, DC.
20. Roush RE. Webcast on disaster mental health aspects of geriatric emergency preparedness. Paper presented at: Harvard Positive Aging Resource Center and the American Society on Aging; July 12, 2006; San Francisco, CA.
21. Roush RE, McBride M, Johnson A. The Katrina-Rita-Wilma lessons: An eldercare reality check for future emergency planning. Paper presented at: Annual Meeting of the American Society on Aging, March 17, 2006; Anaheim, CA.
22. Roush RE, Palmisano B, Tumosa N. Innovative methods of teaching and evaluating emergency preparedness and aging training for service providers. Paper presented at: Annual Meeting of the American Society on Aging; March 16, 2006; Anaheim, CA.
23. Roush RE. What caregivers of older people need to know about bioterrorism and emergency preparedness. Paper presented at:

Symposium on Emergency Preparedness and Seniors, White House
Conference on Aging; December 10, 2005; Washington, DC.

24. Roush RE, Fay V. A good old age for all texans: Mission of the TCSEC. Paper presented at: HRSA Invitational Conference for Geriatrics Education Center Directors; March 11–13, 2002; Baltimore, MD.
25. Teasdale TA, Roush RE. Perception of safety with and without a personal response system. Paper presented at: 54th Annual Scientific Meeting of the Gerontological Society on Aging; November 18, 2001; Chicago, IL.
26. Roush RE, White PL, Denis KB. Art for pleasure, art for therapy. Paper presented at: 54th Annual Scientific Meeting of the Gerontological Society on Aging; November 16, 2001; Chicago, IL.
27. Roush RE, Marshall CE. The Texas approach to kids into health careers. Paper presented at: 54th Annual Scientific Meeting of the Gerontological Society on Aging; November 15, 2001; Chicago, IL.
28. Teasdale TA, Roush RE, Skender ML, Easton A. Personal response service use by community-residing elders. Paper presented at: First Joint Conference of the American Society on Aging and the National Council on Aging; March 10, 2001; New Orleans, LA.
29. Roush RE, Deering MJ, Simonson W. Smart consumers: How the web is changing behavior in healthcare. Paper presented at: First Joint Conference of the American Society on Aging and the National Council on Aging; March 9, 2001; New Orleans, LA.
30. Roush RE, White PW, Kahn-Denis KB. The arts in aging: Creative expression in late life for enjoyment and for therapy. Paper presented at: First Joint Conference of the American Society on Aging and the National Council on Aging; March 8, 2001; New Orleans, LA.
31. Roush RE. Judging health web sites: Writing information prescriptions for web sites in aging. Paper presented at: Second Biennial SPRY Foundation Conference on Health Information, Older Adults, and the WWW, National Institutes of Health; February 26, 2001; Bethesda, MD.
32. Roush RE [witness]. U.S. Senate Subcommittee on Public Health and Safety Hearing on Consolidation and Reauthorization of Health Professions Programs; April 25, 1997; Washington, DC.
33. Roush RE, Teasdale TA, Lucci RJ. Using a World Wide Web site as a distance learning tool in geriatrics education. Paper presented at: Restructuring Health Professionals' Education for the Emerging Health Care System: A Cross-program Conference; April 6–8, 1997; Baltimore, MD.

34. Roush RE, Lucci RJ, McCullough LB. Geroethics in the Americas: Implications of a pilot survey of selected geriatricians. Paper presented at: 48th Annual Scientific Meeting of the Gerontological Society of America; November 15–19, 1995; Los Angeles, CA.
35. Roush RE, Teasdale TA, Lucci RJ. Using a World Wide Web site as a distance learning tool in geriatrics education. Paper presented at: 49th Annual Scientific Meeting of the Gerontological Society of America; November 17, 1996; Washington, DC.
36. Roush RE. Lifelong learning: How we can be better teachers for the geriatric patient. Paper presented at: Nursing Home Care Unit Interdisciplinary Education Series, Houston Veterans Affairs Medical Center; October 10 and 24, 1995; Houston, TX
37. Katz PR, Frankel RM, Taler G, Roush RE. Resident training in non-traditional sites of care: Identifying needs and appropriate communication skills. Paper presented at: 52nd Annual Meeting of the American Geriatrics Society; May 17–21, 1995; Washington, DC.
38. Roush RE, Lucci RJ, Fasser CE. Factors influencing career choices: Geriatricians' views vs. other specialists'. Paper presented at: 47th Annual Scientific Meeting of the Gerontological Society of America; November 18–20, 1994; Atlanta, GA.
39. Roush RE, Teasdale TA, Lucci RJ, Lee RW. Developing geriatrics fellows' teaching skills using interactive microteaching video technology. Paper presented at: Annual Meeting of the American Geriatrics Society and American Federation for Aging Research; May 21, 1994; Los Angeles, CA.
40. Roush RE, Teasdale TA, Murphy JN, Kirk MS. Impact of a personal emergency response system on hospital utilization by community residing elders. Paper presented at: Annual Meeting of the American Geriatrics Society and American Federation for Aging Research; May 21, 1994; Los Angeles, CA.

A. Visiting professorships

- University of Houston–Downtown, Houston, TX (Fall 2007–09)

- Meharry Medical College, Nashville, TN (June 2006)
- Sanders-Brown Center on Aging, University of Kentucky, Lexington, KY (June 2004)
- Institute for Gerontological Studies, Baylor University, Waco, TX (February 2001)
- School of Allied Health Sciences, Medical College of Virginia, "Geriatrics Interdisciplinary Team Development" (August 1999)
- University of Houston Graduate School, Houston, TX, "HLT 4397/6397: Health and Aging" (Summer/Fall 1991)
- University of Houston Graduate School, Houston, TX, "7321: Program Assessment in Health Education" (Fall 1985)

IV. MEDICAL AND SERVICE INFORMATION

A. Patient care responsibilities at BCM and/or its Affiliated Institutions

1. Department-wide N/A

2. Section or specialty N/A

B. Clinical laboratory responsibilities at BCM N/A

C. National education or voluntary health organization participation

- Co-chair, Finance Committee (2007–2012)
- President (1997–2000)
- Council Member (1993–97)

National Association for Geriatric Education Centers

- Emeritus Member (1990–Present)
- Member, Finance Committee (1988–90)
- Director and Executive Committee Member (1985–88)

Southern Association of Allied Health Deans at Academic Health Science Centers

President (2011–12)

National Association for Geriatrics Education and National Association of Geriatric Education Centers

- Chair (2009–10)
Humanities and Arts Committee
- Representative (2005–10)
Arts and Humanities Committee and Task Force on Organizational Technology and Computers

Gerontological Society of America

Founding Member (1996)

Special Interest Group in Health Professions

Association for Educational and Communications Technology

Member (1988–92)

Education Committee

Association for Gerontology in Higher Education

Board Member (1988–90)

Texas Society of Allied Health Professions

Member (1985–87)

Subcommittee on Evaluation, Health Policy Agenda for the American People
American Medical Association

Member (1981–83)
Council of Educational Institutions
American Society of Allied Health Professions

Member (1975–89)
Legislative Committee and International Education Committee
American Society of Allied Health Professions

D. Administrative assignments at BCM

1. Department administration, committees, etc.

- Producer (1996–2016)
Arts in Aging Calendars
- Web Maintainer (2010–2016)
<http://www.bcm.edu/hcoa/>
- Webmaster (1993–2010)
www.hcoa.org
- Member
Development Committee
Huffington Center on Aging

Director
Texas Consortium of Geriatric Education Center (1985–2016)

Staff Associate for Geriatrics Education (1988–2006)
Geriatrics and Extended Care Service
Houston VA Medical Center

Committee Member
Geroeducation Committee
Section of Geriatrics, Department of Medicine

2. College administration, committees

1989–2015

Director (1985–2016)
Texas Consortium of Geriatric Education Centers

Staff Associate for Geriatrics Education (1988–2006)
Geriatrics and Extended Care Service
Houston VA Medical Center

Member (1988–2006)
Houston Center on Aging Development Committee
Baylor College of Medicine

1971–89

Member
Task Force on Aging, which led to Program in Aging and,
subsequently, the Huffington Center on Aging in 1988

Ex-officio Member
Subcommittees on Admission, Curriculum, and Promotion

Committee Member
High School for Health Professions Committee

Committee Member
Allied Health Committee

Director
Center for Allied Health Professions
