

Holistic (Individual) Review

Incoming freshman who do not meet automatic admission requirements will be holistically reviewed.

The Admissions staff may consider the following factors in the review process:

- Grade Point Average
- Specific class rank (on a seven-semester transcript)
- Size of graduating class
- Quality and competitive level of high school courses taken and grades earned (i.e. AP, Honors classes, Dual Credit)
- Academic progress and achievements
- Scores on either the ACT and/or the SAT
- Personal Statement

NOTE: After the review process, if a student is granted admission to SHSU under the review program, the student will be required to take and complete the [UNIV 1101](#) course during the first semester.

Appeals for Undergraduate Students

An applicant who has been denied admission may appeal that decision by email to [Admissions](#).
