

BEARKATS GET HIRED

HOME / DEPARTMENTS / CAREER SUCCESS CENTER

The Career Success Center has embarked on a new initiative during 2023 to provide a proactive and personal approach to serving our employer partners and connecting them to our students & alumni.

For our Employers:

We have moved to a new "concierge service" with our employers to work more proactively in finding the specific students you would like to recruit. Our Employer Engagement Team is dedicated to meeting with each and every employer that would like to connect with SHSU in recruiting Bearkats.

Our Services Include:

- Posting Internships or Part/Full-Time Career Opportunities
- Tabling Opportunities on Campus
- On-Campus or Virtual Interview Services
- Attendance at Career/Internship Fairs
- Targeted Email/Text Message Blasts to Students
- Social Media Advertisement
- Exclusive Employer Sponsorship Packages

Our current calendar of events, including our Fall Career/Internship Fair dates are posted on our website and be viewed [here](#). You can also register for the Career/Internship Fairs by selecting the event you would like to attend.

If you would like to hear more about our employer services through the Career Success Center, please contact our Employer Engagement Manager, Audrey Williams, at akw007@shsu.edu or by calling 936-294-2535. In addition, you can also request more information by filling out the Employer Services Form on our [Hire a Bearkat](#) page.

For our Students:

The Career Success Center offers multiple resources for our students and alumni to connect with employers for internships or career opportunities.

Our office utilizes a LinkedIn Group called Bearkats Get Hired to allow employers to post their opportunities for students and alumni to view. You can join our group by clicking [here](#).

Another resource for students to view internships and career postings is the new Career Success Center Learning Lounge organization in [Blackboard](#). Students will be automatically enrolled in the organization each semester. To view the organization, simply go to your [MySam](#) page, click on the Blackboard link at the top of the screen, and then select Organizations on the left-hand tool bar. Look for the CSC Learning Lounge organization and one of the first items you will see is the Virtual Job Board. Opportunities are broken out by the following fields - on-campus jobs, jobs for all majors/programs, and jobs broken out by colleges.

For more information, check out the student resources tab on our website or contact your Career Coach!
