Honors College Benefits

- Opportunities for financial support
- Community involvement
- Socializing opportunities with like-minded peers
- Specialized courses
- Smaller class sizes
- Early registration
- Private Honors Lounge and Lab
- Honors distinction upon graduation

The Elliott T. Bowers Honors College benefits students in their academic journey both inside the classroom and in the professional world. Designed to attract highly motivated students, the Honors College community is an environment that encourages professional and intellectual development. In addition to offering opportunities for student-professor mentorship and academic growth, the Honors College promotes the university's overall mission to uphold high academic standards and further community engagement. Graduating with Honors from Sam Houston State University ensures advantages for students in their post-college journey, whether that is starting in a professional career or entering graduate school.

Undergraduate Research Symposium
ELLIOTT T. BOWERS HONORS COLLEGE
SAM HOUSTON STATE UNIVERSITY

The Undergraduate Research Symposium

The Undergraduate Research Symposium

The Undergraduate Research Symposium is a campus-wide event for students to present their research in a formal setting. The URS occurs every Spring semester on the SHSU Huntsville campus.
