Each section of UNIV 1101: Bearkat U has an instructor and an embedded Peer Mentor. Peer mentors work with students individually and in small groups to ensure personalized attention. Students explore career paths, connect to campus resources and services and learn to develop and apply self-directed learning skills to their own academic programs and career development. Prerequisite: None. Open to all first-year students (first-time and transfer) with less than 60 hours of college credit. Students with junior and senior status will need to contact the First-Year Experience Office for approval. 1 credit hour meets two hours per week.

Please check with your academic advisor to see if this course is right for you!
