Peer Mentoring

Many first-year students at SHSU discover that transitioning to university life is challenging. Our peer mentors have experienced and overcome this transition first-hand and are willing to help! Whether it is the newness of the campus and community, learning how to manage time effectively, or feeling overwhelmed by your college-level courses, peer mentors have managed these same challenges and want to empower you on the journey toward your success. Let us help you navigate college and Sam Houston State University by booking an appointment.
