## Mission Statement

The Mission of the Sam Houston State University Food Pantry (SHSU-FP) is to support Sam Houston State University (SHSU) students who experience food insecurity, to encourage an educational understanding of food insecurity, and to provide a space for students to volunteer and network with their peers. Currently, the Food Pantry is under the direction of Dr. Kathleen Gilbert and operated by work-study students, Dietetic Interns, and volunteers from the Food Pantry SHSU student organization.
