Home Admissions About Us Staff Prospective/New Students Pre-Transfer-Advising Current Students FAQs Advisor Tools Alerts/Referrals

As part of the Coordinated Care Network, the SAM Center now manages outreach and intervention efforts in response to Attendance Concern Alerts and Career/Major Exploration Referrals, for which the alert/referral systems are active year-round. Alert/referral reports are generated bi-weekly and assigned to advisors for outreach, which is then conducted by email and phone over the course of one week.
