## ROAD to PhD Graduate Scholar's Program

The ROAD to Ph.D. graduate scholars' program provides doctoral students with the tools and training to acclimatize them to the academic rigor of doctoral education. The program provides academic support, mentoring, networking, and professional development opportunities to scholars. Additionally, scholars work on a comprehensive individual development plan (IDP) during their tenure in the program.

ROAD scholars are also awarded a financial stipend for six semesters contingent upon the successful completion of program requirements.

**Applications are accepted during fall and spring semesters.**
