Student Services

Career Success Center is here to assist all SHSU students and has multiple resources available to assist Distance and Online students with career exploration and planning. We provide many resources and services to both distance/online learners and in person students. Please stop by our office for assistance when you are on campus or give us a call at (936)-294-1713

On Campus Student Employment

Check out the [student worker](#) tab of the SHSU Human Resources site to see what student positions are currently available.

Resume and Cover Letter Assistance

If you need help with the creation of your resume and cover letter, please visit our [Resume and Cover Letter page](#). Once you've finished your resume and/or cover letter we encourage you to [email us a copy](#) and one of highly trained peer career advisors will help you edit it by making suggestions.

Focus 2

Multiple career assessments are available to you to enhance and support your own career development process. From obstacles in your career decision-making process to interests, personality preferences, values, and skills related to your major and career path selection, we have online tools for you to help become more aware of who you are as it relates to your steps to finding your profession of choice! To find out more information please visit our [Career Assessments](#) page.
