One of the requirements of the Law is:

"Each law enforcement agency in this state shall adopt a detailed written policy on racial profiling. It is the policy of the Sam Houston State University Police Department to accept all complaints and fully investigate all complaints against the department, or its members, and to obtain a final disposition to those complaints so as to maintain the integrity of the department and secure the support it needs from the community.

Our goal at the Sam Houston State University Police Department is to deliver the services the community needs and expects in a professional manner. If this expectation is not met, we will take the appropriate action to ensure that the behavior is not repeated. We do not want to fall in our continuing efforts to provide the best possible police service to each of the citizens at Sam Houston State University, the City of Huntsville and Walker County.

Any person wishing to make a complaint may do so by emailing or delivering our [Complaint/Complaint Form](#). Complaints can be reported 24-hours a day to any department supervisor.
