About the Ultimate Bearkat Society

The **Ultimate Bearkat (UB) Society** is a community of students who have completed all of the requirements listed in the Ultimate Bearkat Path on their individualized [OrgLINK](#) profiles.

The UB path gathers all the meaningful events and programs that SHSU hosts and other important experiences that are part of a college student's journey. These events and experiences are compiled in one place for ease of access and tracking. Completing the Path to become the Ultimate Bearkat will give you lifelong skills and make your time at SHSU so much more than just going to class. UB Society will set you on your way to successfully completing your college journey and become part of the next generation of leaders.
