Timely Warning Notifications

Timely warnings will be made to the University community when a Clery Crime or criminal activity presents an ongoing threat. When a Clery Crime is committed and the incident is deemed to present an ongoing threat to the University Community, a timely warning will be issued. Dependent upon the situation and the immediacy of the notification, multiple formats can be used.

Emergency Notifications will be made through "KatSafe" when there is an immediate or impending threat (that is confirmed) to the health and safety of the University Community. Examples include outbreaks of serious illness, approaching extreme weather, earth quake, gas leak, terrorist incident, an armed intruder, bomb threat, civil unrest and/or explosion. Timely notifications will be listed here and on the KatSafe webpage accessible on the SHSU home web page using the KatSafe icon.
