Student Success Values

Community - Fellowship or association with others, based on sharing common experiences, emotional connection and fulfillment of needs.

Development – The evolvment towards an increased awareness of one’s abilities, an increase in the ability to take responsibility for one’s own experiences. Engage in one’s surrounding community and emerge as students who are better prepared academically and who persist to graduation while also becoming citizens who think openly and globally.

Engagement – Provide opportunities for students to intentionally connect, learn, and develop through peer interaction, service-learning, and community experiences to enhance their sense of identity.

Wellness – Proactively creating a culture of health and wellness focused on the dimensions of intellectual, emotional, social, financial, and physical wellness to support academic, personal, and professional success for students.
