Stop the Bleed

Stop the Bleed is a national awareness campaign and call-to-action. Stop the Bleed is intended to foster and encourage bystanders to become trained, equipped, and empowered to

Until Help Arrives

Life-threatening emergencies can happen fast and emergency responders aren't always nearby. You may be able to save a life by taking simple actions immediately. You Are the Help

help in a bleeding emergency before professional help arrives.

🕒 About 45 mins to 1 hour

Until Help Arrives.

🕒 About 45 mins to 1 hour

ALICE

ALICE Active Shooter Response

ALICE is an acronym for Alert, Lockdown, Inform, Counter, Evacuate. It's not designed to be sequential but rather to be utilized dynamically in each unique situation. ALICE is designed to supplement current active shooter procedures. As a result, if you have a better plan, this is not meant to change it but ALICE gives you options

🕒 About 1 to 2 hours

Campus Community Emergency Response Training (C-Cert)

The Community Emergency Response Team (CERT) program educates volunteers about disaster preparedness for the hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. You will also receive campus specific information. This training program includes a certification that can be used nationwide.

🕒 About 26 hours, 1 weekend or stretched across 6-8 weeks
