The data enclosed within this Fact Book is intended to provide information to the public concerning SHSU student enrollment and degrees awarded. Sources include certified Texas Higher Education Coordinating Board reports and internal institutional data.

Select a section of the Fact Book below.

SHSU Enrollment

Contains enrollment information, including demographic and geographic breakdowns. Data can be filtered based on several criteria.

SHSU Degrees Awarded

Provides details on the total number of degrees awarded per academic year. Data can be filtered by college, department, and other factors.

SHSU Course Enrollment and SCH

Provides course enrollment headcount and Semester Credit Hour (SCH) production by academic year. Data can be filtered by college, department, faculty tenure status, and other criteria.

About Us

SHSU Distance Learning

Contains enrollment information, including demographic and geographic breakdowns, for students enrolled in at least one online semester credit hour for a given academic period. Data can be filtered based on several criteria.

SHSU Retention and Graduation Rates

Provides retention and graduation rates for full-time, first-time freshmen and first-time transfer cohorts for up to six years. Data can be filtered by gender, official race, first generation status, and Pell grant status.

SHSU Admissions Activity

Provides data on the number of admissions applications received, number of applications admitted, and number of enrolled students by first-time student status for fall semesters.
