

Artist Diploma Certificate: Post-Master's

Music Performance

Goal Description:

Students studying music performance will perform at a level considered professionally competitive in all types of music literature, including solo works, chamber music, and those pieces written for large ensembles. Through their performance, students will be able to demonstrate a fundamental understanding of all musical stylistic periods by making historically-informed choices regarding specific musical elements (i.e. phrasing, articulation, ornamentation, etc.). This degree plan culminates in a recital, which adheres to the guidelines in the School of Music Student Handbook and is tailored to the student's principle vocal or instrumental concentration.

RELATED ITEMS/ELEMENTS

RELATED ITEM LEVEL 1

High Quality Performance of Standard Literature

Learning Objective Description:

Artist Diploma students will perform standard literature for their instrument/voice. The music selections will be appropriate to the Artist Diploma level and performance practices at the professional level.

RELATED ITEM LEVEL 2

Pre-Recital Hearing

Indicator Description:

Artist Diploma Certificate students must pass a pre-recital hearing indicating the music required for their recital has been prepared to a professional performance-ready level. Students will present at least one graduate recital which indicates they have attained the appropriate level of mastery of their instrument/voice at a level which must be consistent with the national standards of the National Association of Schools of Music (NASM).

Artist Diploma Pre-Recital Hearing Performance Standards:

The application of performance standards used for each instrument or voice will vary widely based upon composers, periods and styles; nevertheless, the following standard performance qualities are checked by all faculty and assessed in the specific context of the particular performance piece:

Intonation

Rhythmic accuracy

Tone quality

Students must sing/play in turn, with the proper/appropriate intonation and tone quality and within the prescribed rhythmic patterns for the periods and composers and styles of their performance pieces.

Criterion Description:

The ideal is for each student to pass the pre-recital hearing at the first attempt; however, due to the rigorous application of indicator standards that are common to the SHSU applied faculty, a high, yet realistically attainable criterion is that students should pass the pre-recital hearing with no more than three (3) attempts. 100% of students will pass the pre-recital hearing within three attempts and be judged "recital ready." The School of Music considers 95% of the students passing the recital jury on the first attempt to be a success.

Findings Description:

We did not have any students enrolled in the Artist Diploma Certificate for AY 23, so there are no findings to report.

Pre-Recital Hearing

Action Description:

As we had no students in the certificate program this year, we will continue to actively recruit for the certificate.

Update to Previous Cycle's Plan for Continuous Improvement Item

Previous Cycle's Plan For Continuous Improvement (Do Not Modify):

Closing Summary

Performance: The School of Music applied faculty will continue to recruit high-level applicants so that the pass rate of the Pre-Recital Hearing remains high, as well as growing the number of students in the program.

Update of Progress to the Previous Cycle's PCI:

There are no findings to report as we had no students enrolled in the Artist Diploma this academic year. The School of Music has been working to actively recruit for our graduate programs and certificates, but it is difficult with the limited amount of GA funding and the inability to offer a tuition waiver. We cannot compete with other universities' financial offers, and therefore our recruiting efforts often don't come to fruition.

New Plan for Continuous Improvement Item

Closing Summary:

Moving forward, the School of Music will continue to do our best to recruit into the graduate and certificate programs. We currently have one student planning to enroll in the Artist Diploma for AY 24. We plan to be more targeted with recruiting efforts and hope to have more digital marketing of our promotional materials in addition to recruiting efforts already in place.
