Update to Previous Cycle's Plan for Continuous Improvement Item

Previous Cycle's Plan For Continuous Improvement (Do Not Modify):

Closing Summary

Assessment for the Critical Infrastructure Protection certificate currently occurs concurrently with the MS in Homeland Security Studies program as the majority (if not all) of the certificate students are also in the MS program. The committee will review current assessment methods to determine if this process needs to

change moving forward.

Update of Progress to the Previous Cycle's PCI:

Assessment for the Critical Infrastructure Protection certificate did not change as enrollment in the certificate and MS programs continues to occur concurrently.

New Plan for Continuous Improvement Item

Closing Summary:

Enrollment for the Critical Infrastructure certificate program will be monitored.

Direct methods of assessment will be identified.
