Update to Previous Cycle's Plan for Continuous Improvement Item

Previous Cycle's Plan For Continuous Improvement (Do Not Modify):

Closing Summary

1. Develop a plan to scaffold student understanding and skill with APA formatting in all courses.
2. Develop common understanding of "proficient" for students and work to ensure inter-rater reliability on the Capstone Project in CIED 5371.

Update of Progress to the Previous Cycle's PCI:

1. Continually revise and develop a plan to scaffold student understanding and skill with APA formatting in all courses.
2. Continually revise and develop a common understanding of "proficient" for students and work to ensure inter-rater reliability on the Capstone Project in CIED 5371.

New Plan for Continuous Improvement Item

Closing Summary:

1. Students earning an MEd in Curriculum & Instruction should be able to conduct an independent research project that might result in professional presentation.
2. Students earning an MEd in Curriculum & Instruction should develop a professional presence in their given cognate field in their profession.
