New Update to Previous Cycle's Plan for Continuous Improvement Item

Previous Cycle's Plan For Continuous Improvement (Do Not Modify):

Closing Summary

For 2022-2023 will update the assessment plan to include the following:

NURS 3340 Older Adult add Pharmacology exercise with a minimum score of 80%.

NURS 4383 Rural Health remove the EBP discussion board assignment. Replace with a Telehealth assignment with a minimum score of 80%

NURS 4384 Genetics remove the Patterns of Inheritance discussion forum.

We will continue to monitor all of the PSO for the RN to BSN assessment on a yearly basis.

Update of Progress to the Previous Cycle's PCI:

In this past year we did not update to plan for NURS Older Adult, NURS 4383 Rural Health, NURS 4384 Genetics, as planned due to personnel changes in the department of nursing. We will make the changes on the new assessment plan for 2023-24. We will continue to monitor all of the PSO for the RN to BSN assessment on a yearly basis. Discussion was made regarding changing the PSO to mirror the BSN program and decision was made to stay the course at this time due to lack of enrollment and see what will transpire for the program.
