Students receive an 85% or higher based on the rubric created by ECHE program faculty.

Findings Description:

Evaluation is on hold until the ECHE certificate program has enough students enrolled in the course for the course to be taught. Ten students are needed to be enrolled for the course to "make".

RELATED ITEM LEVEL 3

Action 2 Knowledge of Early Childhood Curriculum and Development

Action Description:

Students will create a portfolio that successfully demonstrates their understanding of the importance of each domain.

G2 Advocate for Appropriate Experiences

Goal Description:

Students in ECHE certificate program will advocate for appropriate experiences for young children birth through age eight in schools, care facilities and community engagement.

Providing Department: Early Childhood Education Certificate

Progress: Ongoing

RELATED ITEMS/ELEMENTS -----

RELATED ITEM LEVEL 1

LO1 Advocate for Appropriate Experiences

Learning Objective Description:

Students in ECHE 5355 will successfully research a current issue in early childhood education or community need and present the information through a unit plan.

RELATED ITEM LEVEL 2

Indicator 1 Advocate for Appropriate Experiences

Indicator Description:

Indicator Type: Rubric

Students in ECHE 5355 will successfully research a current issue in early childhood education or community need and present the information through a unit plan.

Criterion Description:

85% of students will receive an 80 or higher based on the rubric provided.

Findings Description:

Evaluation is on hold until the ECHE certificate program has enough students enrolled in the course for the course to be taught. Ten students are needed to be enrolled for the course to "make".

RELATED ITEM LEVEL 3

Action 1 Advocate for Appropriate Experiences

Action Description:

Students in ECHE certificate program will advocate for appropriate experiences for young children birth through age eight in schools, care facilities and community engagement.

RELATED ITEM LEVEL 1

LO1 Knowledge of Early Childhood Curriculum and Development

Learning Objective Description:

Students will describe developmental needs of young children as they plan engaging lessons focusing on developmentally appropriate practices.

RELATED ITEM LEVEL 2

Indicator 1 Knowledge of Early Childhood Curriculum and Development

Indicator Description:

Indicator Type: Course Grades

Evidence of mastery of course objectives will be measured using course grades for 4 of the 6 courses required for the certificate.

Criterion Description:

90 % of students successfully complete course work with a B or higher.

Findings Description:

Evaluation is on hold until the ECHE certificate program has enough students enrolled in the course for the course to be taught. Ten students are needed to be enrolled for the course to "make".

RELATED ITEM LEVEL 3

Action 1 Knowledge of Early Childhood Curriculum and Development

Action Description:

Students in the ECHE graduate certificate program will advance knowledge of the developmental needs of young children, ages birth through age 8, focusing on social, emotional, linguistic, physical and cognitive domains.

RELATED ITEM LEVEL 1

LO2 Advocate for Appropriate Experiences

Learning Objective Description:

Students in 5363 will complete 20 hours of volunteering hours in a community program that services parents and families of young children.

RELATED ITEM LEVEL 2

Indicator 2 Advocate for Appropriate Experiences

Indicator Description:

Indicator Type; Assignment

Students in 5363 will complete Community Review Assignment with documentation of hours served.

Criterion Description:

90% of students will complete 20 service hours in a program that services parents and families of young children.

Findings Description:

Evaluation is on hold until the ECHE certificate program has enough students enrolled in the course for the course to be taught. Ten students are needed to be enrolled for the course to "make".

RELATED ITEM LEVEL 3

Action 2 Advocate for Appropriate Experiences

Action Description:

Indicator Type; Assignment

Students in 5363 will complete Community Review Assignment with documentation of hours served.

Update to Previous Cycle's Plan for Continuous Improvement Item -

Previous Cycle's Plan For Continuous Improvement (Do Not Modify):

Evaluation is on hold until the ECHE certificate program has enough students enrolled in the course for the course to be taught. Ten students are needed to be enrolled for the course to "make".

Not enough students enrolled for data to be collected.

Update of Progress to the Previous Cycle's PCI:

Evaluation is on hold until the ECHE certificate program has enough students enrolled in the course for the course to be taught. Ten students are needed to be enrolled for the course to "make".

Not enough students enrolled for data to be collected.

With the recently approved PK-3 PB route and Alt Cert route more students are expected.

New Plan for Continuous Improvement Item

Closing Summary:

Closing Summary

Evaluation is on hold until the ECHE certificate program has enough students enrolled in the course for the course to be taught. Ten students are needed to be enrolled for the course to "make".

Not enough students enrolled for data to be collected.

With the recently approved PK-3 PB route and Alt Cert route more students are expected.
