- Graduate Students: Contact your [Graduate Advisor](#)
- [Advising Tools](#)
- [Mandatory Advising Guidelines](#):
  - All students are encouraged to be advised to assure that they are taking classes relevant to their individual degrees. There are four categories of students who **must** be advised:
    - Students with no SHSU GPA (all new freshmen and transfer students).
    - Students who have below a 2.5 overall GPA.
    - Students subject to TSI requirements.
    - Students who have 90+ hours, including the current semester. This is to assure that they are on the right track towards graduation.
