

EN

The Fred Pirkle Engineering Technology Center stands as a testament to how one individual can "make it happen" beyond what's expected. Fred Pirkle, a true entrepreneurial spirit, founded the center. He devoted his life to education and innovation, and Sam Houston State University is proud to honor his legacy.

EXPERIENCE SHSU

When you visit SHSU, you can see and feel the passion our students and faculty have for learning. Each person is building, creating, and changing the world around them. Come join us at Saturday@SAM, be inspired, and see what Bearkat spirit looks like.

See for yourself at Saturday@SAM:

- Experience the campus
- Meet with faculty & staff
- Talk with students
- Tour residence life halls
- Be advised at the SAM Center

HOW TO SIGN UP

Sign up online at shsu.edu/saturday for spring and fall preview days.

SCHEDULE A TOUR

Call Visitor Services at (936) 294-1844, email visitsam@shsu.edu, or log on at shsu.edu/visit. Tours are also available in Spanish.
