NEWTON GRESHAM LIBRARY INFORMATION LITERACY TUTORIAL

This tutorial is designed to guide you through the library research process. When you complete this tutorial, you will be able to select a topic, identify the information you need, select and locate appropriate library sources, evaluate the information you find, and correctly cite the documents you use.

The tutorial consists of six modules. Each contains five to twelve pages of information and concludes with a quiz. Pass each of the six quizzes and receive a printed certificate verifying that you have successfully completed the tutorial.

Please allow 30-45 minutes to complete the tutorial. Each module must be completed sequentially at one time. You cannot go forward to the next module until you have passed the current module's quiz.
