Other Offerings

In addition to our extensive course offerings, we also specialize in many other areas including:

- Course Development
- Training
- Retreat Planning

Whether you work in the private sector, K-12 or higher education, let us put our resources to work for you!

About Continuing Education

Sam Houston State University's Continuing Education Department provides a diverse selection of course offerings that allow you to meet your professional, personal, and financial needs.

Whether you are looking to further your education, pursue professional development, training, or to take leisure courses, we are here to assist you. We offer a repertoire of quality, rigorous, and exciting courses.

Continuing Education is always working to expand and grow our non-credit programs, special interest classes, and professional development courses. If you would like to become a Continuing Education Instructor and share your talents and knowledge please submit the [Course Proposal Form](http://www.shsu.edu/mailer/CourseProposalForm_01-30-2014.pdf) along with a resume or vita to ContinuingEducation@shsu.edu. Course proposals are accepted on an ongoing basis.

If you have any questions, or would like more information about our offerings, please don't hesitate to [contact us](#).
