History:

The SHSU Parents' Association was first originated in 1925 when Sam Houston State Teachers College celebrated it's first Parents' Day. It was such a success that the association elected officers and officially became the Parents' Association on November 5, 1926. The SHSU Parents' Association is an official university organization housed within the Dean of Students' Office. The SHSU Parents' Association will now include Alumni Association Parent Membership benefits.

**For students whose parents are members of the association*

***Membership Card with benefits to include hotel, restaurant, and local business discounts*

We do not issue returns or refunds

SHSU Parents' Association Reminders:

Apple Days are Monday and Tuesday prior to the start of finals during the Fall and Spring semesters. This is an association sponsored event to help all students with nourishment, scantrons, and a friendly face during finals.

If you have any questions or comments please contact the Parents' Association University Advisor, Lindsay Lauher at lindsay@shsu.edu
