

Living Communities

Learn More About Our Living Communities

Bearkat Learning

This is a residential-living learning community where students attend two to three classes together each semester and live on the 3rd floor of Lone Star Hall.

Criminal Justice

This is a residential community where students seeking a career in the criminal justice field attend three classes together each semester and live in Houston House.

Victim Studies

This is a residential community where students seeking a career in the victim studies field attend two to three classes together each semester and live in the Anne Shaver House.

FAMC Creative

This is a residential living community open only to all College of Fine Arts and Mass Communication majors who choose to live in Belvin-Buchanan hall.

Honors

Designed to attract and retain highly competent and motivated students. Honors students have the opportunity to live in Piney Woods Hall.

Education Learning

This is a residential community for students to develop academic and social bonds with their peers. This community lives in the new Piney Woods Hall.

Health Sciences

This is a residential community for students pursuing studies and careers in Health Sciences and related majors. This community lives in the new Piney Woods Hall.

First Generation

This is a residential community that provides an opportunity for diverse first generation students to explore the unique experience of being the first in their families to attend college. This community lives in Gibbs House.

Pre-Law Learning

This is a residential community that provides opportunity for students interested in legal careers to combine the academic and residential experience during their time at SHSU. This community lives in Piney Woods Hall.

Military Science

ROTC at SHSU prides itself in producing quality Officers by providing Cadets with the tools to build the character and leadership skills necessary to serve as Second Lieutenants. This community lives together in Piney Woods Hall.
