

McNair Scholars Program

WELCOME TO THE MCNAIR SCHOLARS PROGRAM

The Ronald E. McNair Postbaccalaureate Achievement Program is designed to provide talented low-income/ first generation and ethnic minority undergraduate students with effective preparation for doctoral study. The McNair program at Sam Houston State University encourages graduate studies by providing opportunities for undergraduates to define their goals, engage in research, and develop the skills and faculty mentor relationships that are critical to success at the doctoral level.

McNair Staff

Dr. Lydia Fox - Director
