## International Student Spotlights

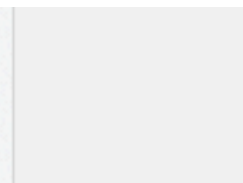

Ashar Neyaz, from  
India, Major: Digital  
Forensics

"I love the peaceful environment on campus. SHSU is located in Huntsville, TX, which is a small town not far from Houston, TX. I have also enjoyed being involved in the International Student Organization. If you come to Sam Houston State, don't forget to join ISO!"

The Office of International Programs (OIP) is responsible for all international students and scholars once they arrive at Sam Houston State University. We are glad to assist each department here at SHSU in bringing international students, visiting scholars/researchers and international faculty members to our campus.

International students and scholars that have questions regarding their time here at SHSU can always visit us in OIP, we are located in the Farrington Building, room 116. You can send us an email at [oip@shsu.edu](mailto:oip@shsu.edu) or call us at (936) 294-4737.

OIP provides information on most immigration issues and concerns for all international students and scholars here at SHSU. We are glad to help with other issues such as cultural adjustment, language barrier, financial problems, and health related matters during your time at SHSU. OIP offer several events during the year for all international students and scholars at SHSU.
