Attend Orientation

Undergraduate Students

If you are new to SHSU and want to attend the SHSU Freshman Orientation Event at the main SHSU campus in Huntsville... we will see you there! The SHSU Online team will be hosting several orientation sessions throughout the orientation event.

In addition, online orientations are available for online undergraduate students who cannot attend an orientation at the SHSU campus. [If you are an undergraduate student who wishes to view the online orientation, please submit an email to Jesse Bernal at \[jessebernal@shsu.edu\]\(mailto:jessebernal@shsu.edu\) and request the online orientation.](#)
