Sam Houston State University (SHSU) 2014 - 2015

Administration MA, MED (Principal Certification)

Goal

Mastery Of The Knowledge And Skills Associated With Program Standards

Students enrolled in the principal preparation program will demonstrate knowledge and skills on comprehensive examinations referenced to the Competencies set forth by SBEC for principal preparation and Educational Leadership Constituent Council (ELCC) Standards.

Objective (L)

Mastery Of The Competencies Associated With Principal Certification

Students will demonstrate mastery of knowledge and skills on the principal preparation program comprehensive examination which addresses the Texas principal standards as determined by SBEC and course content.

Indicator

Comprehensive Examination P

The comprehensive examination was developed by principal preparation program faculty. The examination includes content from several courses (EDAD 5332- Administration and Organization of Public Schools, EDAD 6371-Role of the Principal, EDAD 5372-Public School Law, EDAD 6378-Building Capacity for Teaching and Learning, EDAD 6379-Program Evaluation for School Improvement, EDAD 5386-Special Populations and Special Programs).

Criterion

Comprehensive Examination P

At least 90% of our students will earn a passing score on the comprehensive examination during the first administration.

Finding

Comprehensive Exam Pass Rates 🎤

Out of the 31 Online students who took the comprehensive exam in 2014-2015, all 31 students passed the exam on the first attempt, representing a 100% pass rate on the Comprehensive Exam.

Out of the 27 Traditional students who took the comprehensive exam in 2014-2015, 26 students passed the exam on the first attempt, representing a 96% pass rate on the Comprehensive Exam.

Overall, 57 out of the 58 students passed the exam on the first attempt, representing a 98% pass rate on the Comprehensive Exam.

The student, who did not pass the exam on the first attempt, passed the exam on the second attempt.

Action

Comprehensive Exam P

The Criteria for this objective was met.

Students will demonstrate knowledge and skills associated with being an effective principal as conceptualized in the Texas Administrative Code and SBEC.

Objective (L)

Mastery Of The Knowledge And Skills To Be An Effective Principal $\begin{subarray}{c} \end{subarray}$

Students will demonstrate knowledge and skills associated with being an effective principal as conceptualized in the Texas Administrative Code and SBEC Principal Competencies.

Indicator

Texas Examination Of Standards - TExES Principal Test 068

As required by the Texas Education Code, §21.048, successful performance on educator certification examinations is required for the issuance of a Texas educator certificate. The TExES Principal test is criterion referenced. It is designed to measure the knowledge and skills delineated in the Principal test framework, which is based on the 9 Principal standards that are listed in the Texas Administrative Code, Title 19, Part VII, Chapter 241.

The TEXES Principal test is a selected-response, or multiple-choice, test designed to measure the requisite knowledge and skills that a beginning Texas principal must possess. This test includes both individual and stand-alone items that are arranged in clustered decision sets based on real-world situations faced by school principals and assistant principals in elementary, middle, or high school settings.

Committees of Texas educators and interested citizens guide the development of the TExES tests by participating in each stage of the test development process. These working committees are comprised of Texas educators from public and charter schools, faculty from educator preparation programs, education service enter staff, representatives from professional educator organizations, content experts, the business community, and parents. The committees are balanced in terms of position, affiliation, years of experience, ethnicity, gender, and geographical diversity. The committee membership is rotated during the development process so that numerous Texas stakeholders may be actively involved.

Criterion

Principal Exam Passing Rates P

At least 90% of the graduate students in our Prinicipal program will pass the TEXES Principal exam.

Finding

Principal Exam Passing Rates P

Online students 27 out of the 29 students passed the Principal Exam for a passing rate of 93% for Online students.

Face to face students 28 out of the 30 students passed the Principal Exam for a passing rate of 93% for Traditional students.

Out of the 59 graduate students in the Principal Program who took the Principal Exam during the 2014-2015 school year, 55 students passed the state exam, representing a 93% passing rate.
