Effectively And Efficiently Provide Accurate Donor Information To Departments Within SHSU

Performance Objective Description:

Meet the data request goal set for Advancement Services by the President's Performance Indicator Report. The information that we collect and maintain will allow Colleges and Departments to effectively communicate with Alumni and Donors, thus better ensuring the success of their efforts. Colleges and Departments can request Alumni contact information to send newsletters and event mailings. The Alumni Association will request information regarding membership and mailing requests. Development will request Donor reports, Alumni contact information, and Business information necessary for Donor Solicitation.
