- ☐ Midwestern Higher Education Compact
☐ New England Board of Higher Education
☒ Southern Regional Education Board
☐ Western Interstate Commission for Higher Education

APPLICATION AND APPROVAL FORM FOR INSTITUTIONAL PARTICIPATION IN SARA

An institution applying to operate under the State Authorization
Reciprocity Agreement (SARA) must submit this form to its
home state's SARA portal entity.

The chief executive officer (CEO) or chief academic officer (CAO) of the Institution completes and submits the application including any state-specific fees and committing to any special requirements permitted by SARA to the state portal entity.

When the state portal checks "yes" on this form, the state affirms that the applicant institution has followed proper procedures and provided necessary documents to operate under SARA, but this affirmation does not necessarily represent state evaluation of the institution's ability to perform under SARA policies.

An institution seeking approval to operate under the terms and standards of SARA must meet the following requirements:

1. The principal campus or central administrative unit domiciled in a state that has joined the State Authorization Reciprocity Agreement (SARA) initiative and be authorized to operate in that state. * Only distance education content originating in the United States or a U.S. territory is eligible to be offered under SARA.** (Attach documentation)
2. Be a U.S. degree-granting institution that is accredited by an accrediting body recognized by the U.S. Secretary of Education. (Attach documentation)
3. For non-public institutions, have a financial responsibility index score from the U.S. Department of Education that is 1.5 or above, or, if its score is between 1.0 and 1.49, successfully demonstrate to its home state's portal entity that it is nevertheless sufficiently financially stable to justify participation in SARA. (Attach documentation) Public institutions are presumed to be sufficiently financially stable for SARA purposes. Public institutions leave this blank.

4. Agree to abide by the *Interregional Guidelines for the Evaluation of Distance Education* adopted by the Council of Regional Accrediting Commissions. (See Appendix)
5. Agree to be responsible for the actions of any third-party providers used by the institution to engage in operations under SARA.
6. Agree to notify its home state's portal entity of any negative changes to its accreditation status.
7. Agree to provide data necessary to monitor SARA activities, including annual reporting of distance education enrollments by state, in accordance with the *NC-SARA Data Sharing Agreement*.
8. Agree to work with its home state's portal entity to resolve any complaints arising from its students in SARA states, and to abide by decisions of that entity.***
9. Apply to its home state's portal entity over the signature of the institution's CEO or chief academic officer.
10. Agree to notify in writing all students in a course or program that customarily leads to professional licensure, or which a student could reasonably believe leads to such licensure, whether or not the course or program meets requirements for licensure in the state where the student resides. If an institution cannot determine through its contact with relevant licensing entities whether the course or program meets licensure requirements in the student's state of residence, the institution may meet this SARA requirement by informing the student in writing and providing the student the contact information for the appropriate state licensing board(s). An e-mail dedicated solely to this purpose and sent to the student's best known e-mail address meets this requirement. The institution should use other means to notify the student if needed.
11. Agree, in cases where the institution cannot fully deliver the instruction for which a student has contracted, to provide a reasonable alternative for delivering the instruction or reasonable financial compensation for the education he or she did not receive.
12. Agree to pay to the state any state fees for SARA participation required by the home state for administering SARA.
13. Agree to pay its annual SARA participation fee to the National Council for SARA (NC-SARA). This single annual fee replaces any fees that the institution would ordinarily pay to other SARA member states.
14. Agree to abide by conditions of provisional approval, if necessary.

*SARA considers the home campus to be where an institution has its legal domicile. Any disputes about which state is the home state will be resolved for SARA purposes by the affected regional compacts or the National Council (NC-SARA), as needed.

**The fact that a foreign institution is owned by a U.S. entity does not qualify distance education originating from the non-U.S. institution to be offered under SARA. Only distance education offerings under the oversight of the U.S. state or territory can be offered through SARA.

***Complaints must follow the institution's customary resolution procedure prior to being referred to the state under SARA procedures. Grade appeals and student conduct appeals are not allowed under SARA.
