SUBJECT: Faculty Promotion and Tenure Roster

In accordance with Academic Policy Statement 900417, Faculty Reappointment, Tenure, and Promotion; Section 11, attached is a list of all faculty members eligible for consideration for promotion and/or tenure. Please review carefully each roster with reference to those persons in your administrative area and distribute to department/school chairs a list of all faculty members in their academic units who are eligible for promotion and/or tenure. Department/school chairs should notify each faculty member who is eligible for consideration for promotion and/or. Individual faculty members who are not notified may also choose to apply; these faculty members must meet the same standards of performance as those who are notified.

If you intend to submit a request for early promotion and/or tenure consideration, please discuss it with the Provost at your earliest convenience.

If you discover errors or if you have questions, please contact Karen Whitney immediately since it will be on the basis of these rosters that promotion consideration will be determined in Spring, 2018.
