

Office of Research & Sponsored Programs

Please excuse our mess, our website is going through updates. Thank you for your patience.

What do we do?

- Find funding opportunities, collaborators & resources
- Enhance quality of proposals submitted for external funding
- Develop proposals for submission
- Assist with budget development
- Negotiate contracts with sponsors
- Support intellectual property disclosures and assists with the commercialization
- Protect faculty, staff, students and participants during their research
- Develop publicity
