

WELCOME NEW GRADUATE STUDENTS!

□ / ... / GRADUATE STUDIES

Graduate Student Orientation provides valuable information that will benefit graduate students as they continue their academic journey at SHSU. Students will have the opportunity to win scholarships, tour campus, learn what services are available to graduate students, and get a chance to meet other students beginning their graduate careers. We host an office resource fair, provide tips to being a successful student, and ensure that students are ready to begin the school year. We welcome you to Sam Houston State University!

Please note: This orientation is not mandatory (except for new international students), yet is recommended. It is separate from college/departmental sessions.*

**International students who are new to SHSU, or who graduated from SHSU more than one year ago, are required to attend.*
